Union Institute & University (UI&U) accepts credits in transfer from regionally accredited colleges and universities and reserves the right to apply, or not to apply, acceptable transfer credit toward its degree requirements. Please see the UI&U University Catalog for complete details.

Other certificates and documented training will be evaluated on an individual basis and awarded appropriate credits based on the results of the evaluation.

Procedure

The award of credit hours will occur once the University validates the certifications and documented training and the student has matriculated in a UI&U degree program.
