2017-18 Scholarships and Benefits Reporting Form Office of Federal Compliance & Financial Aid

Each year our learners receive scholarships and other benefits from outside sources (i.e. outside Union Institute & University). All outside scholarships and benefits including employer tuition benefits, veteran's educational benefits must be reported to the Office of Federal Compliance & Financial Aid so that your financial aid is awarded accurately. Please complete and forward this reporting form to our office as soon as you are notified that you will receive any outside scholarships or benefits during the 2017-18 award year.
