

# Licensure Disclosure

## Master of Arts with a major in Applied Nutrition and Dietetics

### Catalog:

Registered Dietitian Nutritionists (RDNs) are the world's leading experts in the use of food and nutrition to promote health and prevent and/or manage disease. RDNs work in a variety of settings including, but not limited to hospitals, private practice, public health departments/clinics, food service operations, hunger relief agencies, nonprofit organizations, schools and universities. Many states and U.S. territories have provisions that regulate the dietetics profession and associated titles (e.g. dietitian and nutritionist) and as such require state licensure and certification of dietitians. Please be sure you are educated on the regulations in your state or U.S. territory. Further information can be found here: <https://www.cdrnet.org/state-licensure> (2020-2021 Catalog, July 1, 2020)
