The student must click "I agree" to the Registration Agreement at the time of web registration or approve by signature on a registration form.

However, Union Institute & University reserves the right to increase or modify tuition and fees without prior notice, upon approval by the Board of Trustees or as otherwise consistent with board policy, and to make such modifications applicable to students enrolled at Union Institute & University at that time as well as to incoming students. In addition, all tuition amounts and fees are subject to change at any time for correction of errors.*

Payment of tuition is due on the first day of the term. Payment options include check, credit card (over the phone) or online credit card payment via CampusWeb (CampusWeb.myunion.edu). Students may choose a deferred payment option that requires equal monthly payments over the duration of the term. Balances due for self-payers or balances due after financial aid has been applied may be divided into equal monthly payments. The monthly payment option is the only deferred payment option available and is processed using the Automatic Recurring Billing (ARB) system. Contact the Business Office at 800.861.6400 x 1095 or businessofficerep@myunion.edu to set up ARB payments. **There will be (1) \$100 Late Fee automatically charged to student accounts that have unpaid balances after 30 days unless there is an Automatic Recurring Billing arrangement set up with the Business Office.**

Financial aid is a means of payment, and the absence of or delay in receipt of financial aid funds does not affect the financial responsibility of the student for charges due to the university. Balances

unpaid at the time of leaving the program will be processed for collection after 30 days. Should the student seek re-admission at a later date, all unpaid balances and collection costs must be paid in full before a request for re-admission will be considered.

CREDIT BALANCES

Credit balances created by federal or state financial aid funds are automatically refunded. If a credit balance is a result of an over-payment made with a credit card; that credit card will be refunded. Credit balances created by scholarships, adjustments of tuition, or third-party payments are not automatically refunded and must be requested by noon on Monday to be included in the week's refund process. Please contact the Business Office 800.861.6400 x 1095 before Monday at noon (EST) to request a refund. A Credit Balance Refund Request form is available on CampusWeb.

If you withdraw from the university and have a credit balance a refund will be issued within 30 days of the withdrawal notification to the Business Office.

DROP/ADD POLICY

Deadlines for academic course adds, drops, and withdrawals are as follows. Refer to the Schedule of Adjustments below for the financial effect of course drops and withdrawals.

- **The Drop/Add deadline:** courses may be added for 15 days from the start of the term. Courses may be dropped for 30 days from the term start date. Courses dropped after 30 days will receive a grade of "W" on the academic record. The effective date of the Drop/Add is the postmark date of a written request, an email request, or phone call received by the faculty advisor or the Registrar's office.
- Students drop/add courses in Web Registration until the drop/add date. After the drop/add date, students need to contact their faculty advisor to complete a course add/drop/withdrawal form.
- **Academic withdrawal policy:** Students may withdraw through the last day of the term by notifying the University in writing prior to the last day of the term.

Drop/Adds can impact continuing financial aid eligibility. Financial aid adjustments are based on federal guidelines. Students should contact the Financial Services Office (800.861.6400 x 2005 or financialaidcounselors@myunion.edu) immediately if they plan to drop any courses. All drop/add requests must be approved by the faculty advisor.

Adding or dropping courses by the published deadline may alter the student's tuition charges for the semester in the following manner:

- If the number of credit hours added equals the number dropped, there will be no adjustment of tuition.
- If the number of credit hours added is greater than the number dropped, tuition will be charged for the difference at the applicable tuition rate for the full term/session.
- If the number of credit hours dropped is greater than the number added, tuition will be adjusted for the difference per Schedule of Adjustments.

The following table shows the percentage of tuition to be adjusted for dropped courses:

Schedule of Adjustments	
Week One	100%
Week Two	100%
Week Three	75%
Week Four	50%
Week Five and thereafter	0%

WITHDRAWAL POLICY AND RELATED REFUND OF CREDIT BALANCE

A program withdrawal is considered to be a **complete** withdrawal from the university. The date of withdrawal is the earlier of:

- The date the student notifies the university; or
- The ending date of the previous term if the student fails to register for a new term; or
- The date the student specifies as the date of withdrawal if this date is after the date of notification.
- The withdrawal should be submitted, by the student, using the official **UI&U Withdraw Form**, located on CampusWeb and after consultation with his or her designated campus official. The designated campus official is the students' assigned student success coach (Undergrad & Certificate), Faculty Advisor (MAO and M.Ed. program), Program Director (MBA, MSHCL, MSOL, MA-CMHC, and Ed.D.), or Dean (Ph.D.). The designated campus official may also email the student a direct link to the official UI&U Withdraw Form upon request.
- **The effective date of withdrawal is noted on the UI&U Withdraw Form, which is the date the student notifies his or her designated campus official.** Verbal withdraw requests are only accepted from a student to his or her designated campus official. Once the official UI&U Withdraw Form is submitted, the student's intent to withdraw will be communicated directly to the appropriate university departments for processing. When a student withdraws from the university prior to the end of a term/session, all incomplete courses for which the student is currently registered at the time of withdrawal will be recorded as W (withdrawn) on the student's transcript. If the withdrawal is effective at the end of the term/session, the grade as supplied by the evaluating faculty for each course will be posted to the student's transcript.
- **A student who fails to notify Union Institute & University of withdrawal from the program is financially responsible for all tuition and fees charged for the complete term/session.** Tuition is not prorated for coursework with earned academic credit.

ADJUSTMENTS OF TUITION AND FEE CHARGES FOR PROGRAM WITHDRAWALS

Adjustments of tuition and fee charges for program withdrawal from the University are processed as reported to the Business Office from the Registrar's Office. The amount of refundable tuition and fee charges to the student is based on the percentage of completion of the program:

- A.** If a student withdraws *before completing 60%* of the program length, the amount of tuition refunded to the student is calculated as follows:

$$\% \text{ refunded} = \frac{\# \text{ of days in session or term} - \# \text{ of days completed}}{\# \text{ of days in session or term}}$$

For example, if a student withdraws on day #11 in a 56-day session, the % refunded is 80%

- B.** If a student withdraws *after completing 60%* of the program length, tuition is considered earned and the student will receive no refund.

Credit balances resulting from withdrawals are refunded either upon request by contacting the Business Office at 800.861.6400 ext. 1095 or within 30 days of the withdrawal date - whichever is sooner. Credit balances resulting from withdrawals will not be held by the University. The amount of the tuition adjustment, if applicable, will be determined by the effective date of the withdrawal. A refund (if applicable) will be issued after financial aid adjustments are made. Financial aid adjustments are based on federal guidelines.

ADC CERTIFICATE PROGRAM INFORMATION

Refer to Certificate Program Registration & Tuition Policies

Non-degree students pursuing only the Alcohol and Drug Counseling Certificate have a different per credit hour tuition rate (\$495.00/per credit hour) than degree seeking MA-CMHC students (\$795.00/per credit hour). Non-degree seeking students who begin or complete the certificate program may choose to apply to the Master of Arts degree program with a major in Clinical Mental Health Counseling.

CAPSTONE PROJECT (COUN 521)

COUN 521 Capstone Project is a non-credit course that is considered the equivalent of three credit hours of academic work for financial aid purposes. COUN 521 is a fee-based course (see Tuition and Fee Schedule).

CAPSTONE WRITING EXTENSION (COUN 522)

COUN 522 Capstone Writing Extension is a non-credit course and does not have credit hour equivalency for financial aid purposes. COUN 522 is a fee-based course (see Tuition and Fee Schedule). COUN 522 does not qualify for loan deferral; students will be reported as registered less than half time to external agencies.

COUN 521 and COUN 522 may not be taken concurrently.

PAST DUE BALANCES

Balances due from a previous term must be paid in full before continued enrollment is allowed. Students that do not make payments in a timely manner may be required to enroll in ARB (Automatic Recurring Billing) before they can register for subsequent terms/sessions. Students are encouraged to contact the Business Office 800.861.6400 x 1291 to set up a payment plan.

The university emails a monthly notification titled: “Monthly Statement of Account Balance” and students are encouraged to periodically review their account activity. Although the university will periodically email and/or mail past due notifications, it is the student’s responsibility to review account activity and contact the Business Office with any questions.

Failure to pay past due balances will result in a letter being sent for final demand of payment and dismissal from the university. If satisfactory payment arrangements are not made with the Business Office within 30 days of a final demand letter, the account is placed with a collection agency. Collection fees of 33.33% may be assessed. Diplomas and transcripts will not be released if there is a remaining balance including any unrecovered collection costs.

State of California residents only: To be in compliance with the California Educational Debt Collections Practices Act (2019), California students may receive transcripts with a balance due; however, diplomas will be withheld until any outstanding balances are paid in full.

FINANCIAL AID INFORMATION

Financial assistance in the form of either grants, loans, scholarships and/or work-study is available to students attending all UI&U academic degree programs. To receive financial aid from federal and most state sources, a student must first establish their eligibility by filing the *Free Application for Federal Student Aid (FAFSA)*. The *FAFSA* must be filed annually. Detailed information on all the financial aid programs administered by UI&U can be found on the financial aid pages of the university website (myunion.edu/current-students/financial-resources).

Federal aid recipients who withdraw prior to the completion of 60% of the current term are subject to a federal aid refund (also called a Title IV refund calculation) which can impact the amount of aid a student can retain upon withdrawing from UI&U. In addition, a decrease in a student’s enrolled credit hours can require a modification to some financial aid awards. Students who drop below half-time status will begin repayment of their federal student loans 6 months later unless they re-enroll in school. Courses that are audited or canceled and registration for program completion extensions do not count toward enrollment status for financial aid purposes and eligibility.

Students who receive tuition assistance from external sources, i.e. scholarships or tuition assistance or tuition reimbursement from employers are required to document that aid with the Financial Aid Office using the “Scholarship & Benefits Reporting” form available on our web site (myunion.edu/current-students/financial-resources).

Many private or alternative student loan sources are available to help with payment of your educational costs. Most private/alternative loans do not require completion of the annual *FAFSA* to determine your eligibility; however, most consider your credit history. Many of these lending sources are available by searching the Internet.

Please visit studentaid.gov to manage your federal student loans.

Refer to the current University Catalog for all academic and financial policies and procedures.
