## Student Achievement Measures

### Undergraduate Cohorts

**Definition:**

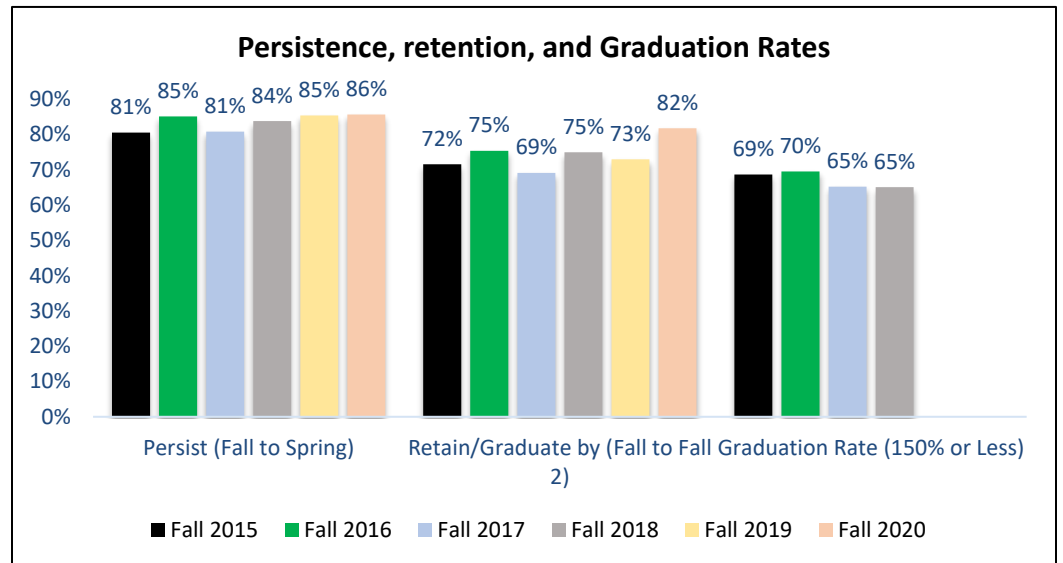

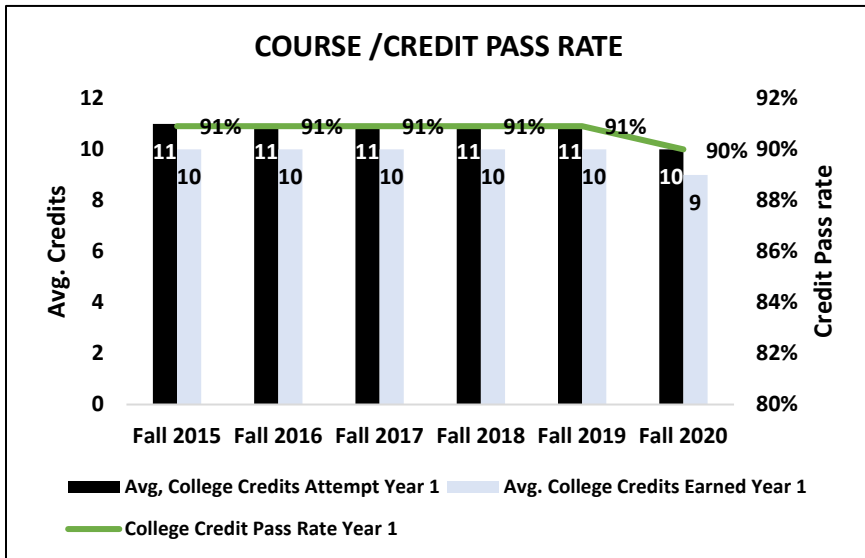

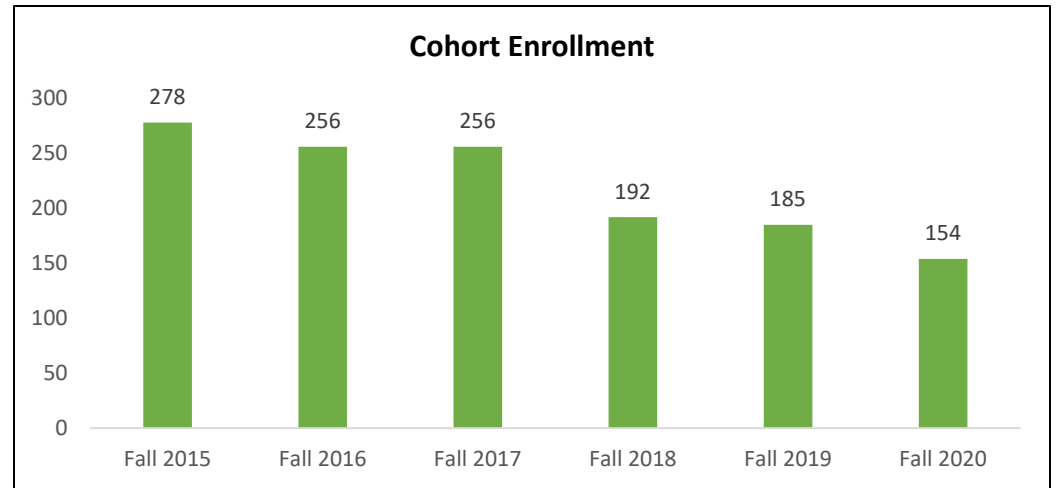

**Persistence Rate:** The proportion of entering cohort students who returned by the following Spring.

**Fall-to-Fall Retention Rate:** The proportion of entering cohort students who either returned or completed their degrees by the second Fall.

**Graduation Rate (150%):** The proportion of entering cohort students who completed their degrees within 150% of normal length to completion – for undergraduate students 150% of normal length to completion = six years and for graduate/master’s degrees = three years.

**Course/Credit Pass Rate:** The average number of earned credits divided by the average number of attempted credits.

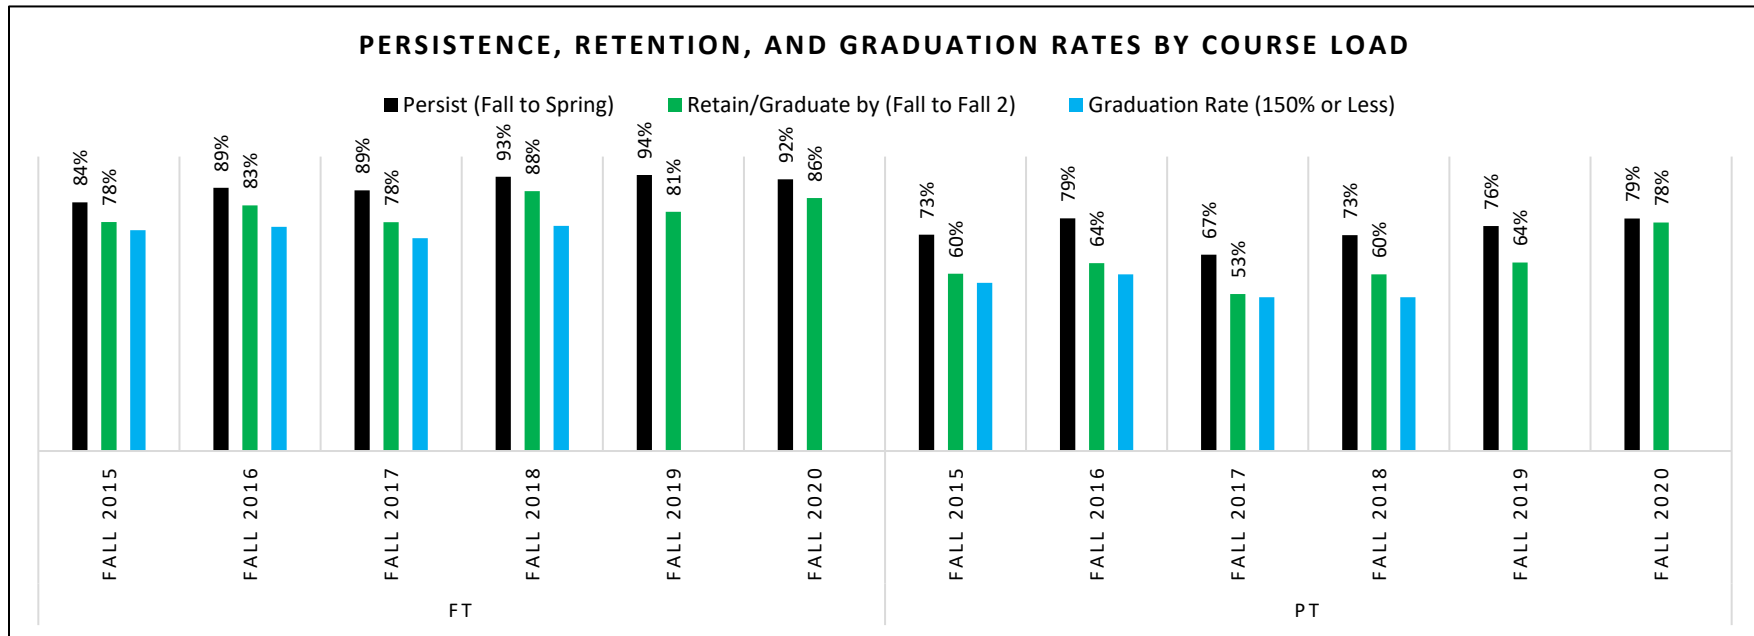

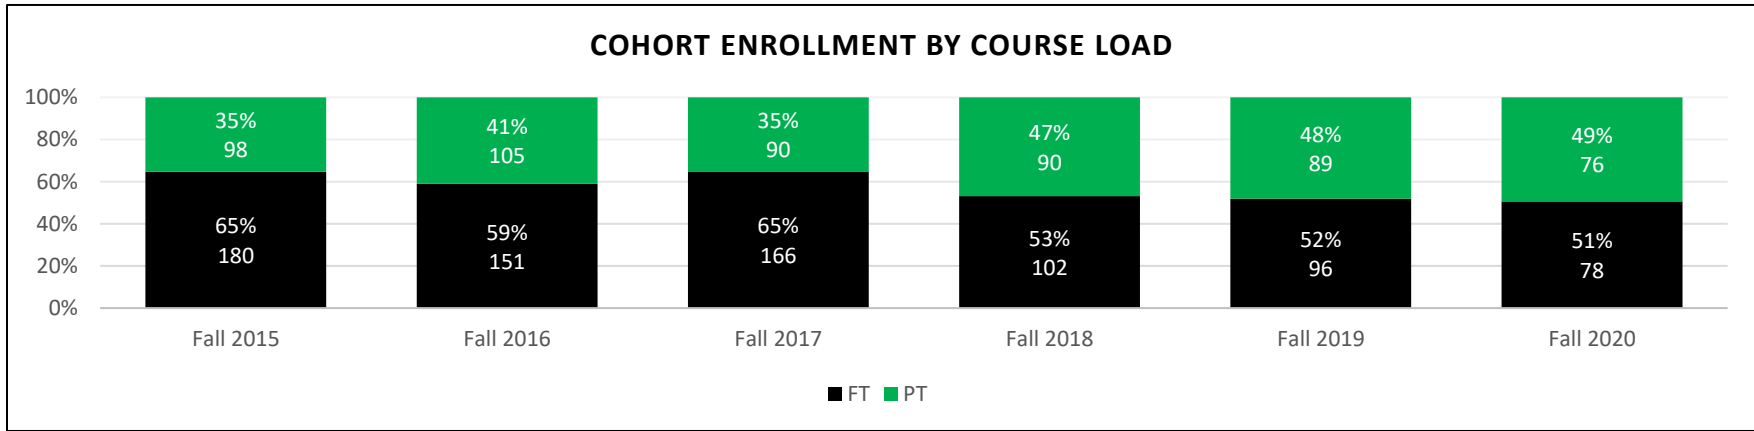

**Under-Represented Minority:** Any race or ethnicity other than White, Unknown, or Non-resident Alien.

Data Source for all retention and graduation data: Jenzabar Student Information System

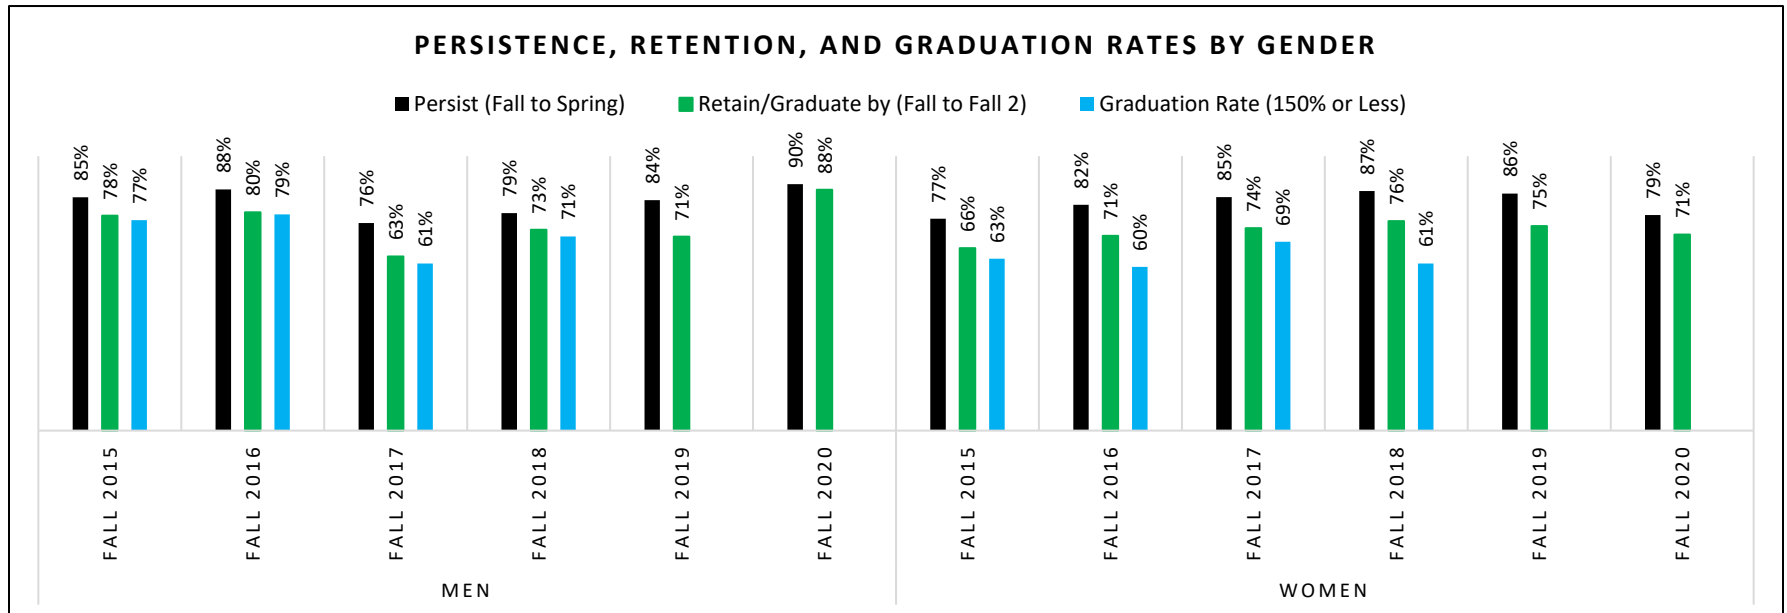

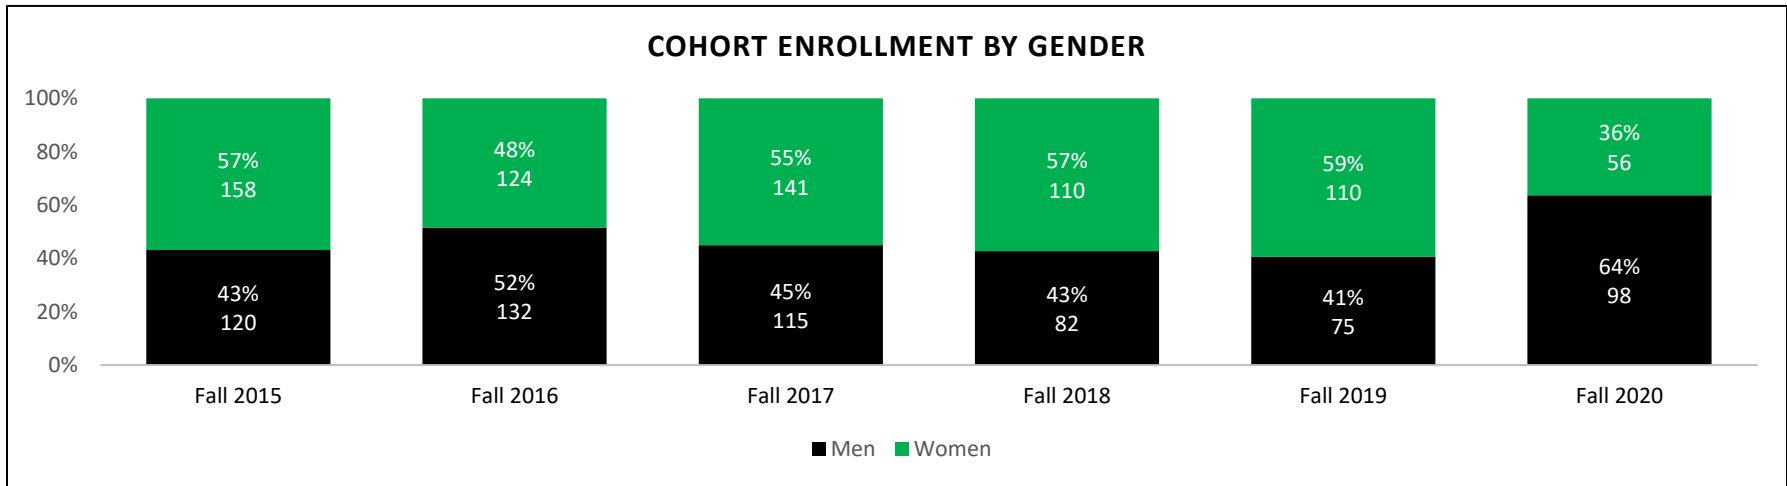

**Student Achievement Measures**

**Undergraduate Cohorts - BY Course Load**

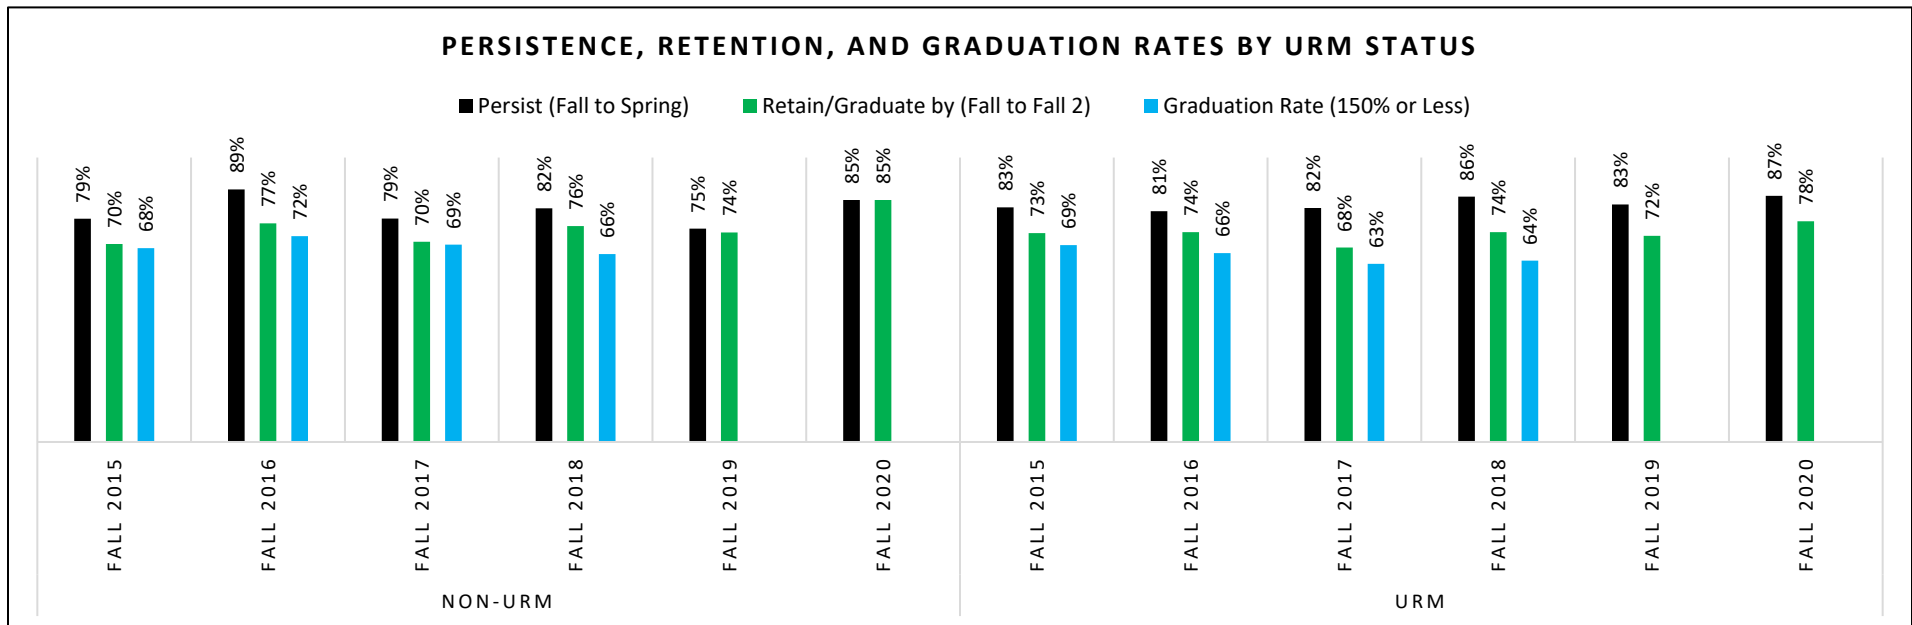

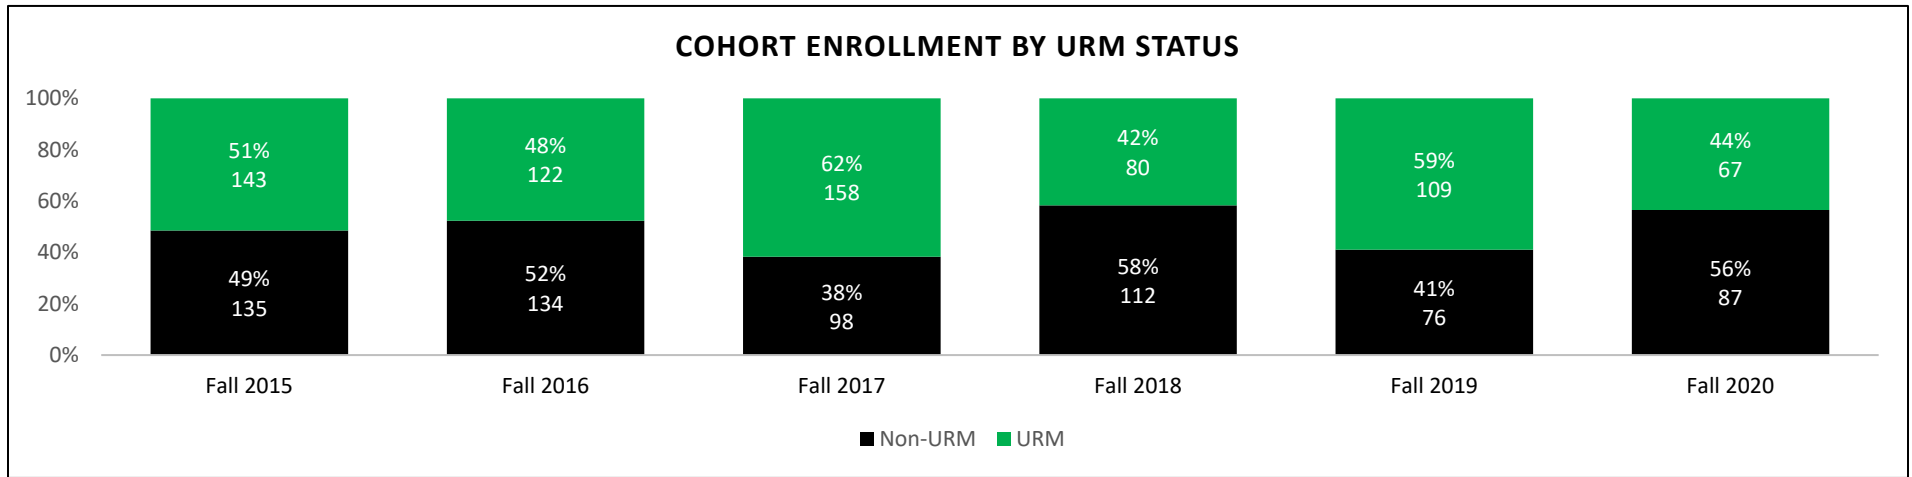

## Student Achievement Measures

### Undergraduate Cohorts - BY Gender

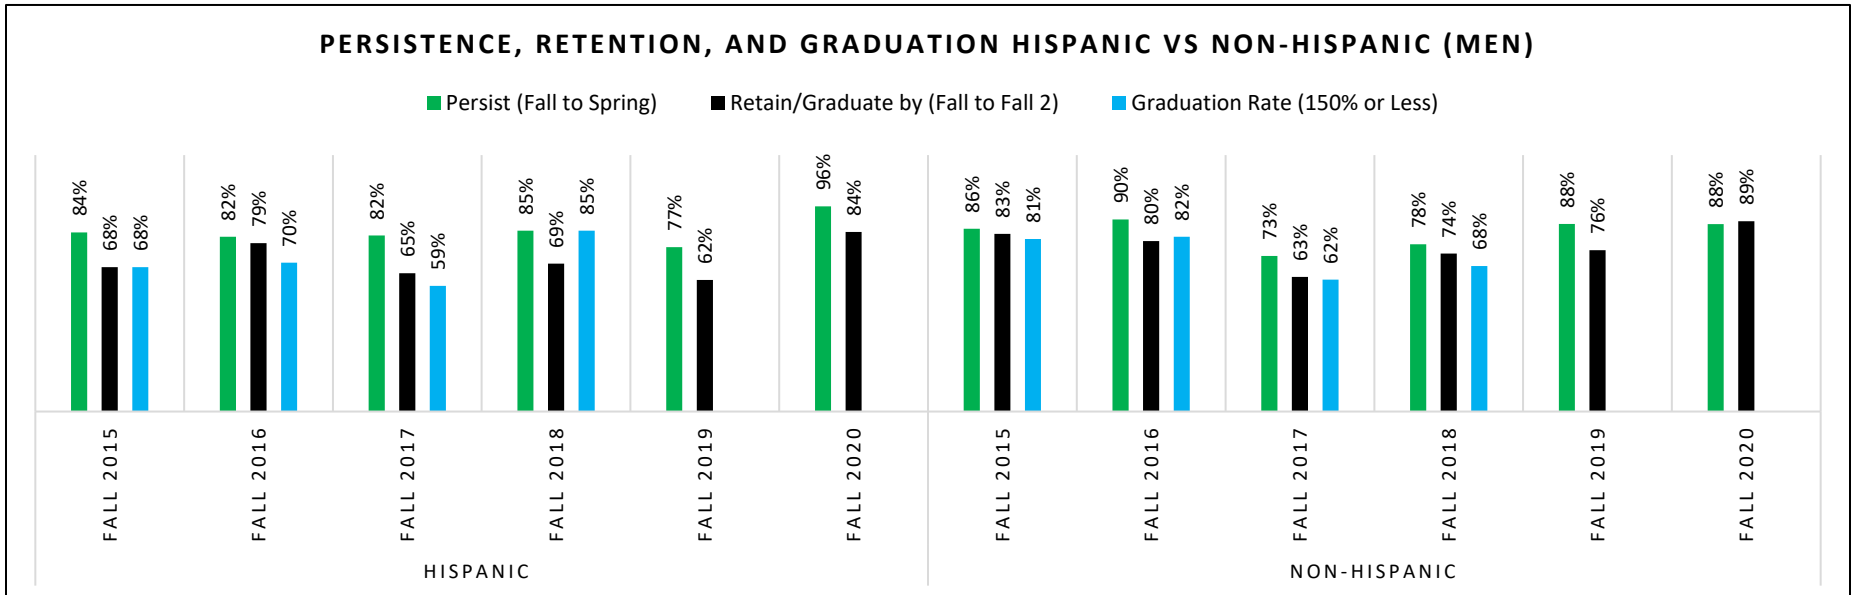

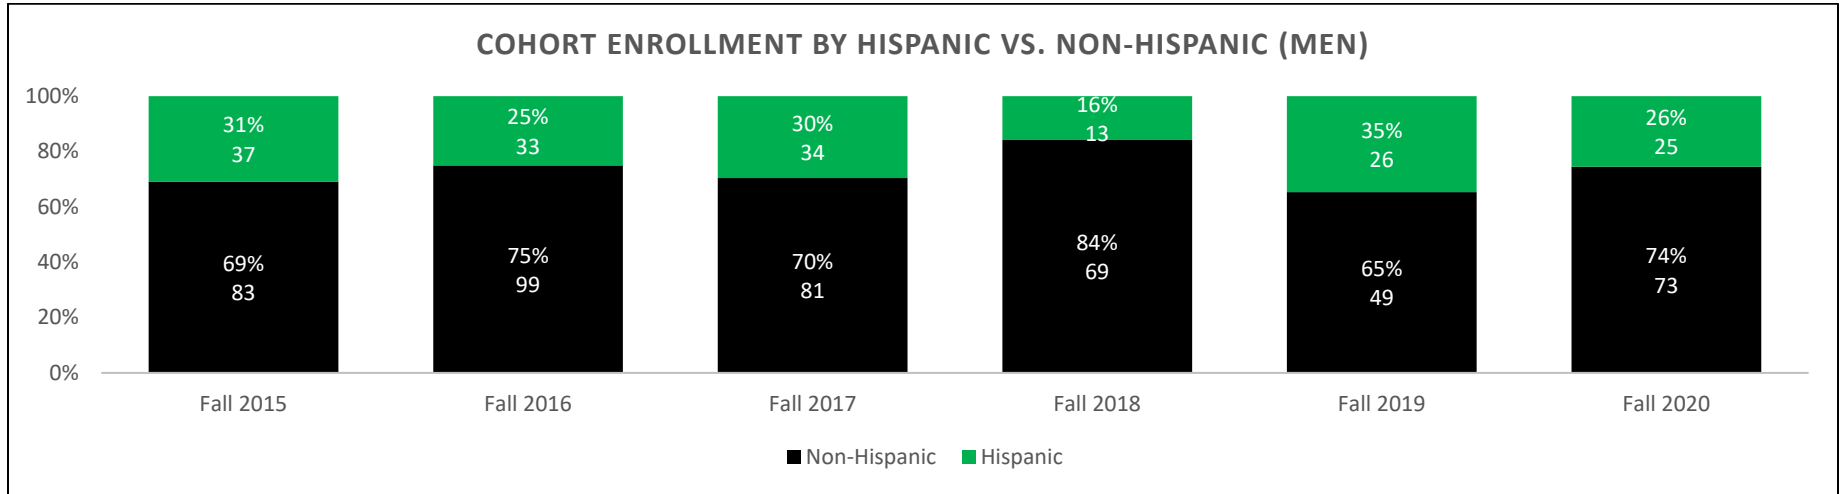

## Student Achievement Measures

### Undergraduate Cohorts - BY URM Status

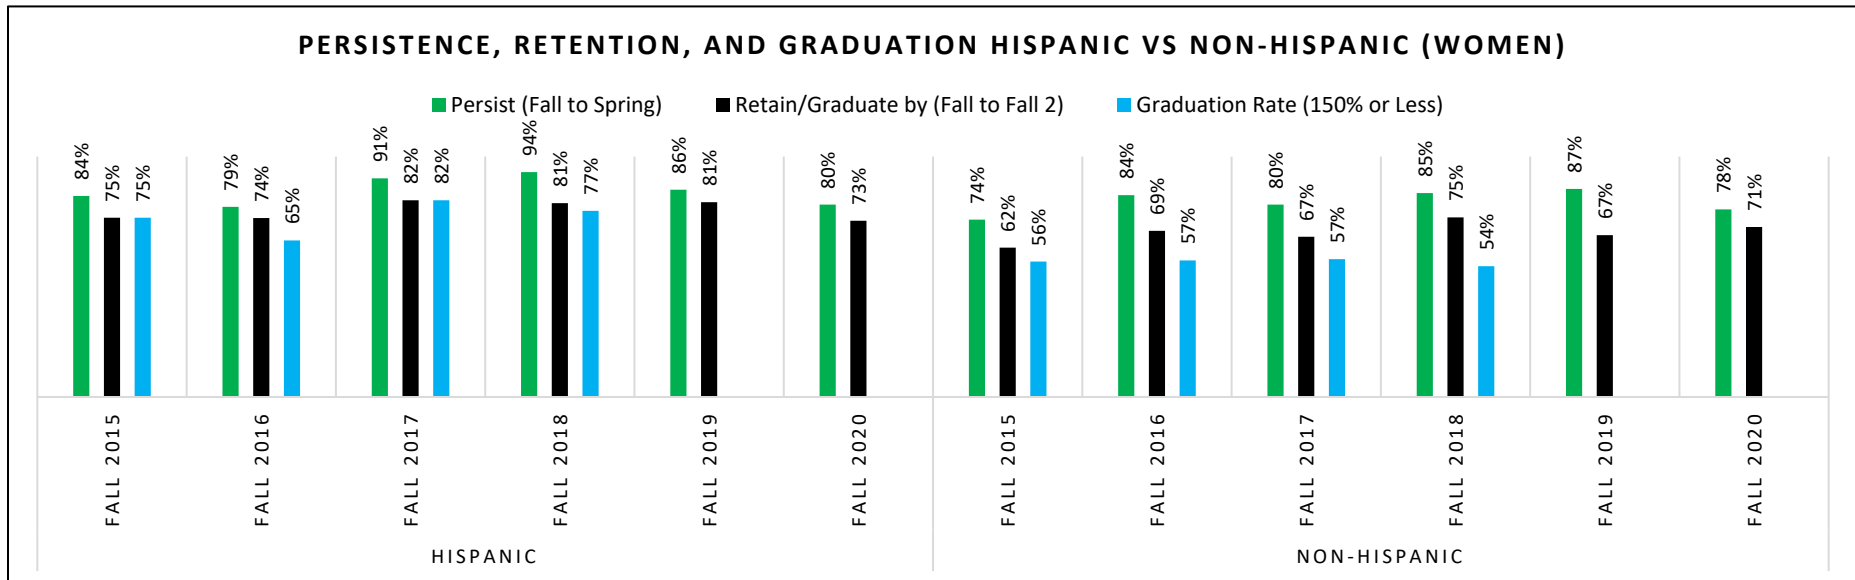

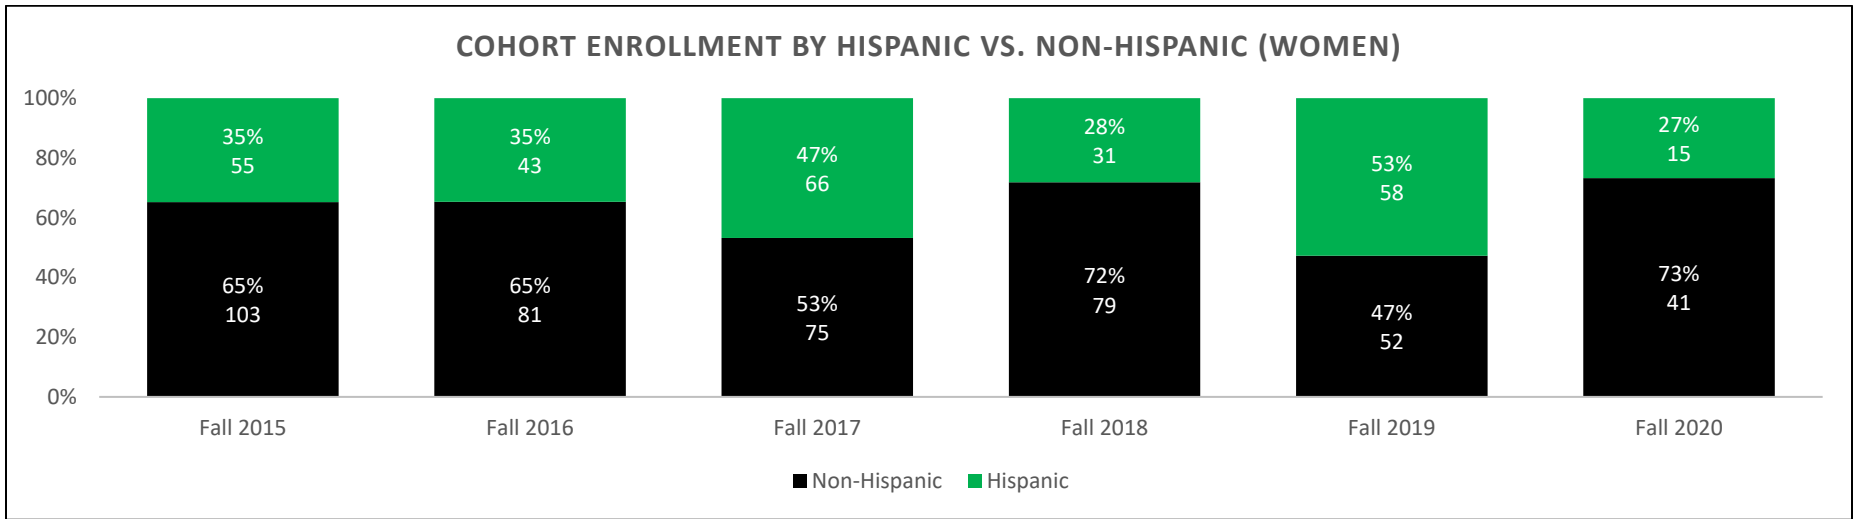

**Student Achievement Measures**

**Undergraduate Cohorts - Hispanic vs. Non-Hispanic (Men)**

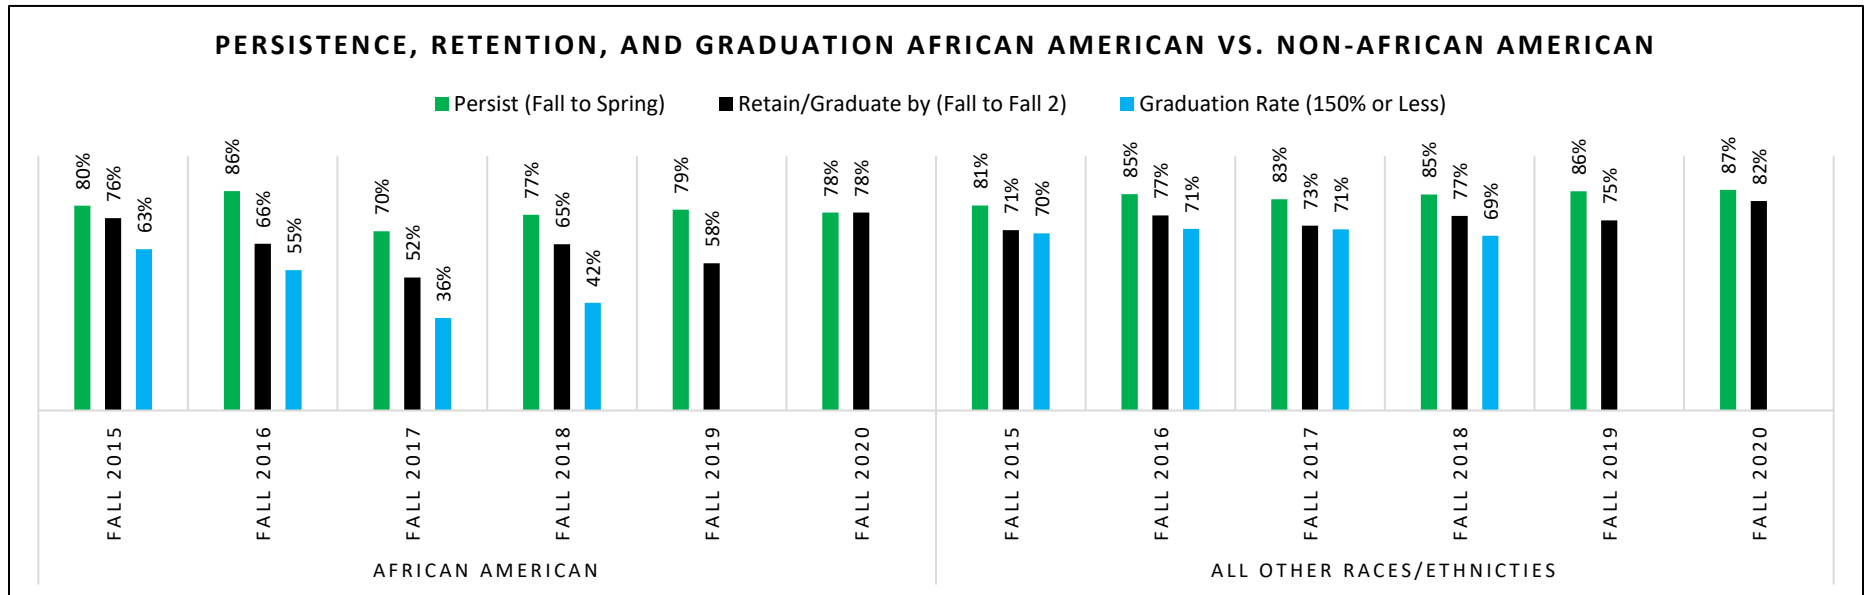

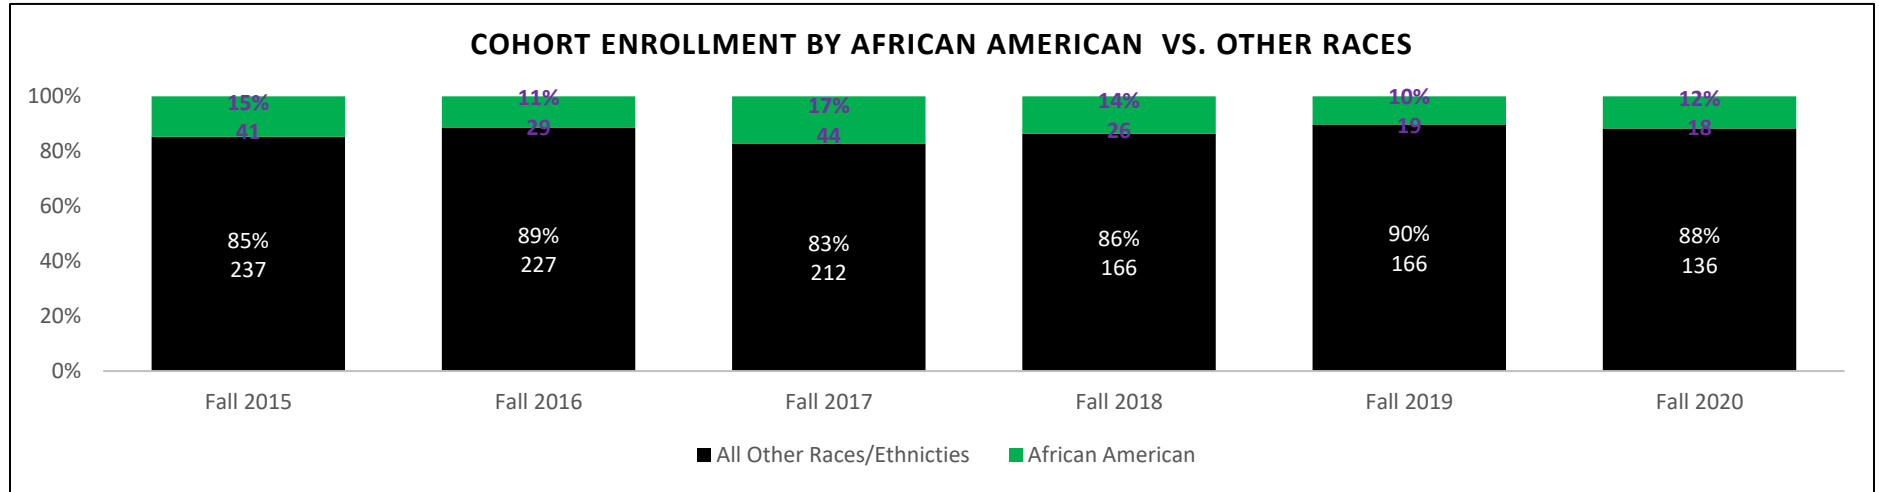

**Student Achievement Measures**

**Undergraduate Cohorts - Hispanic vs. Non-Hispanic (Women)**

**Student Achievement Measures**

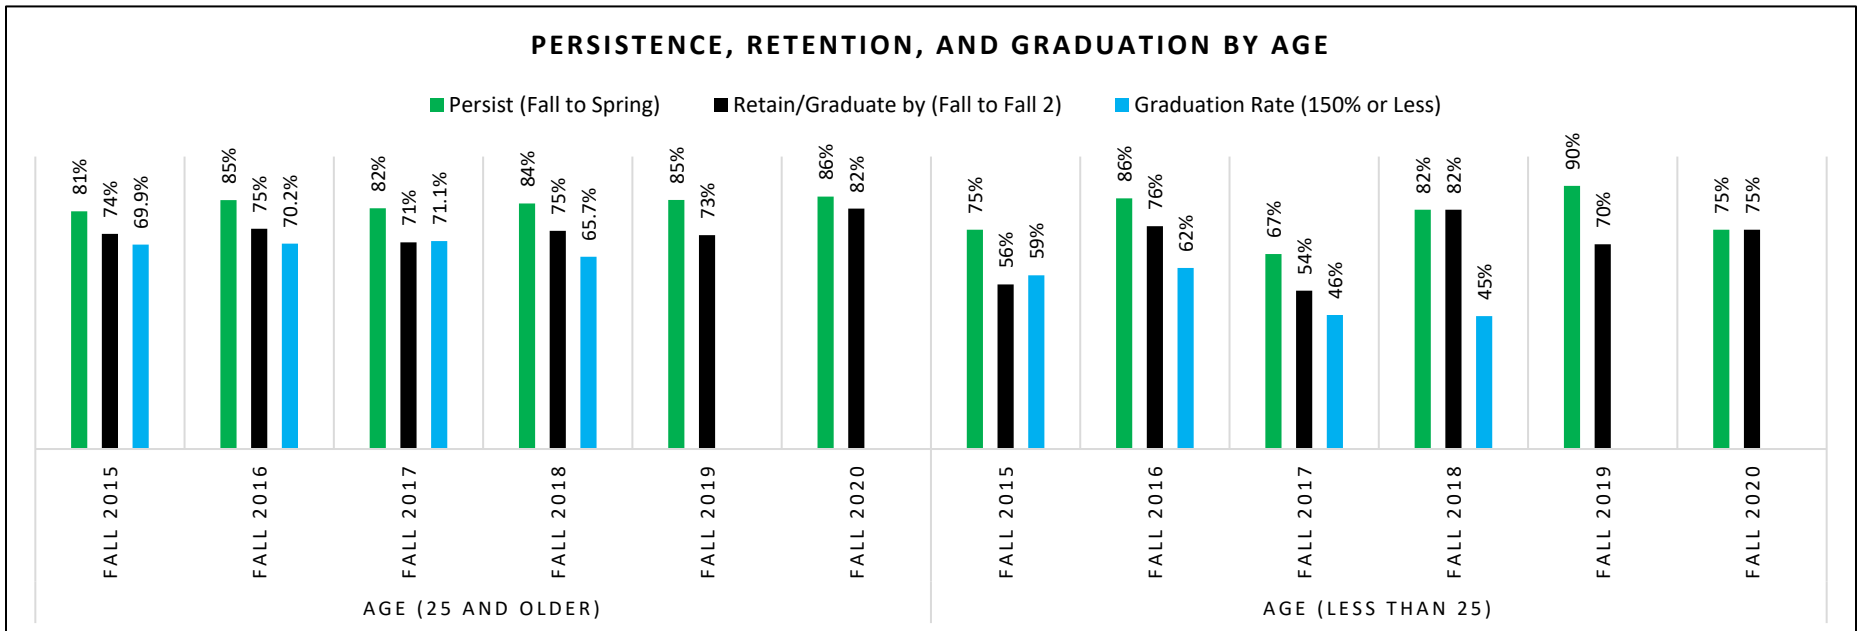

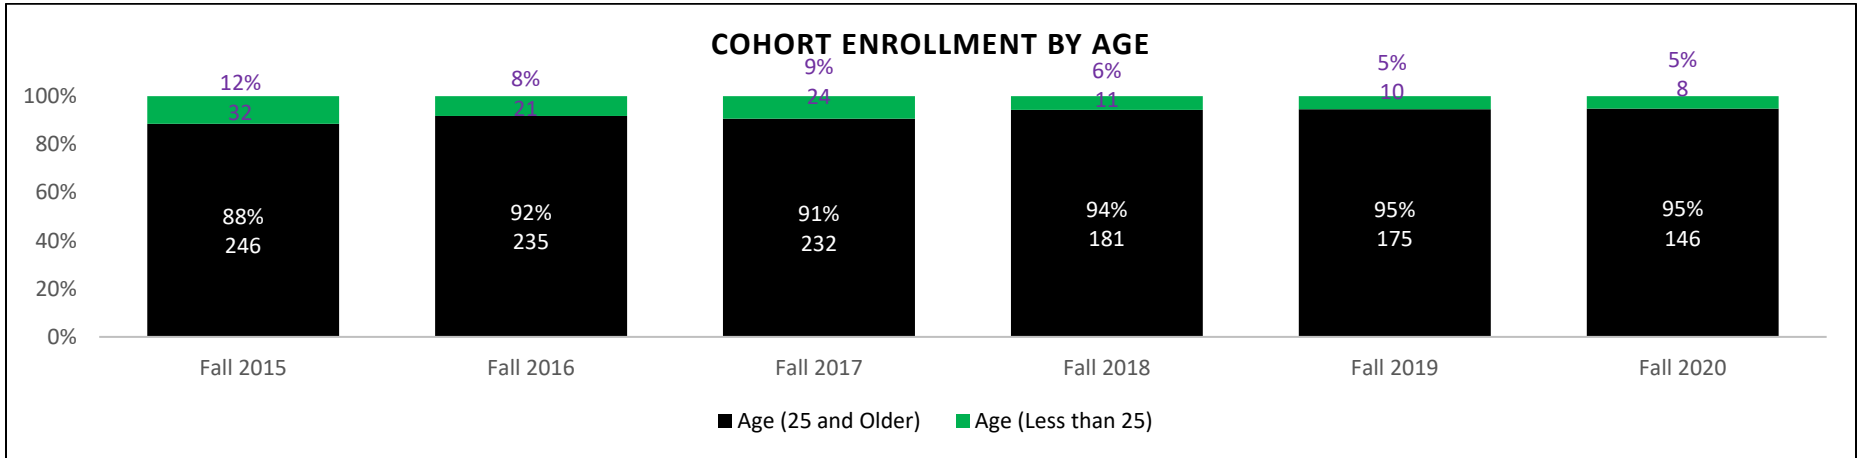

**Undergraduate Cohorts - African American Vs. Non-African American**

Student Achievement Measures

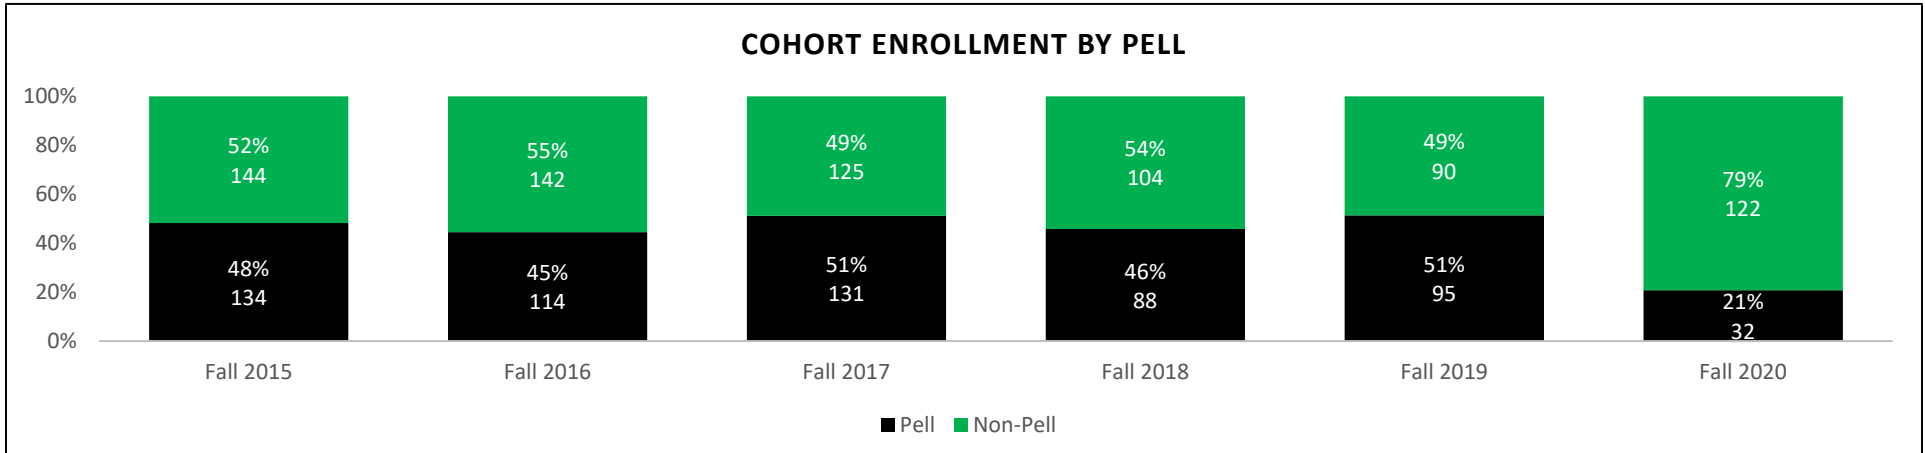

Undergraduate Cohorts - by Age

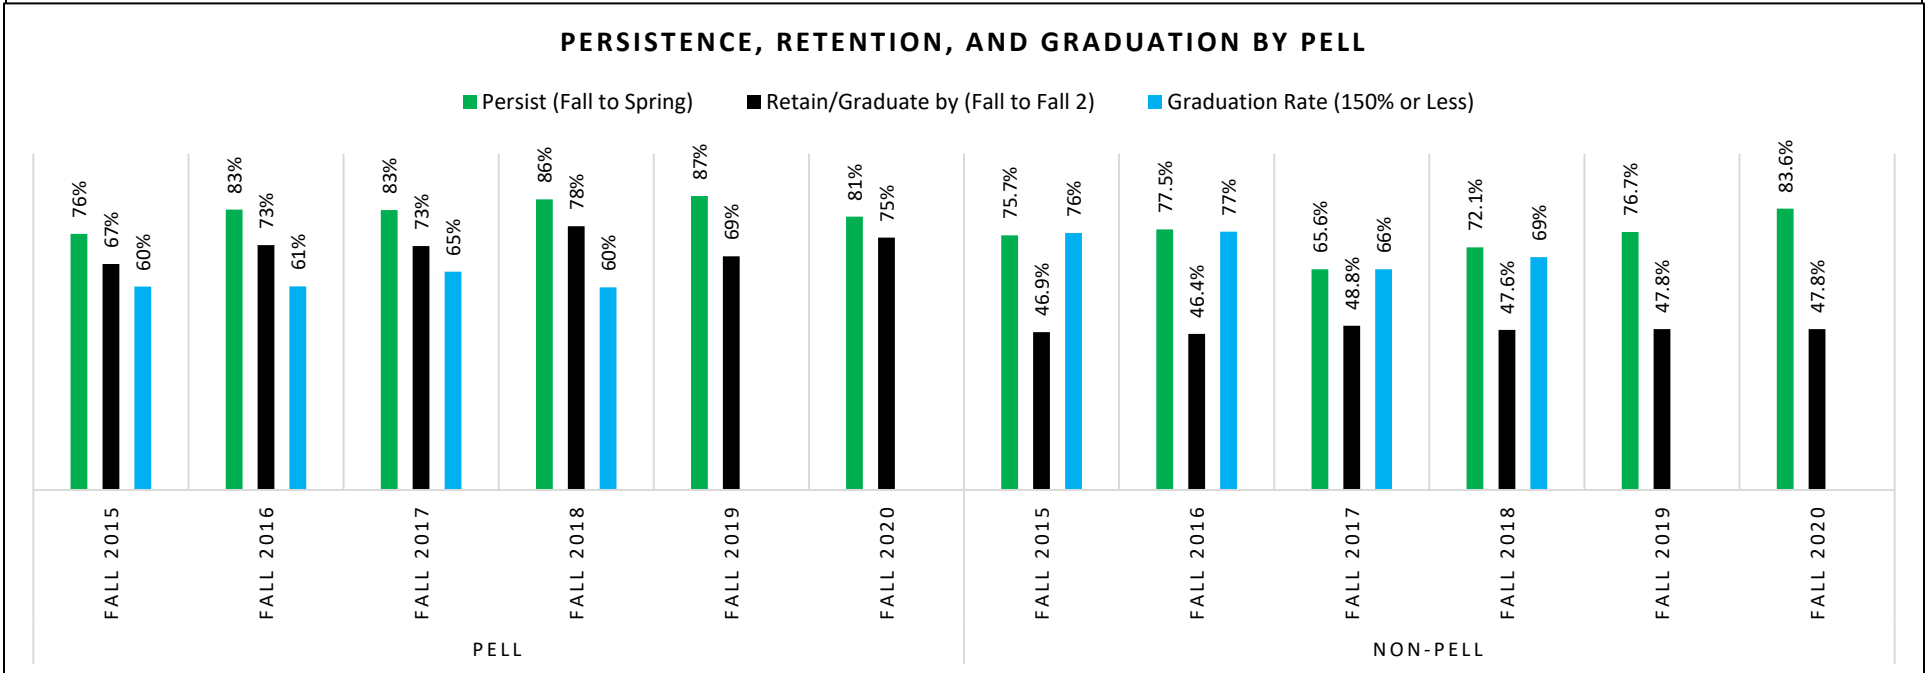

## Student Achievement Measures

### Undergraduate Cohorts - by Pell

#### COHORT ENROLLMENT BY PELL

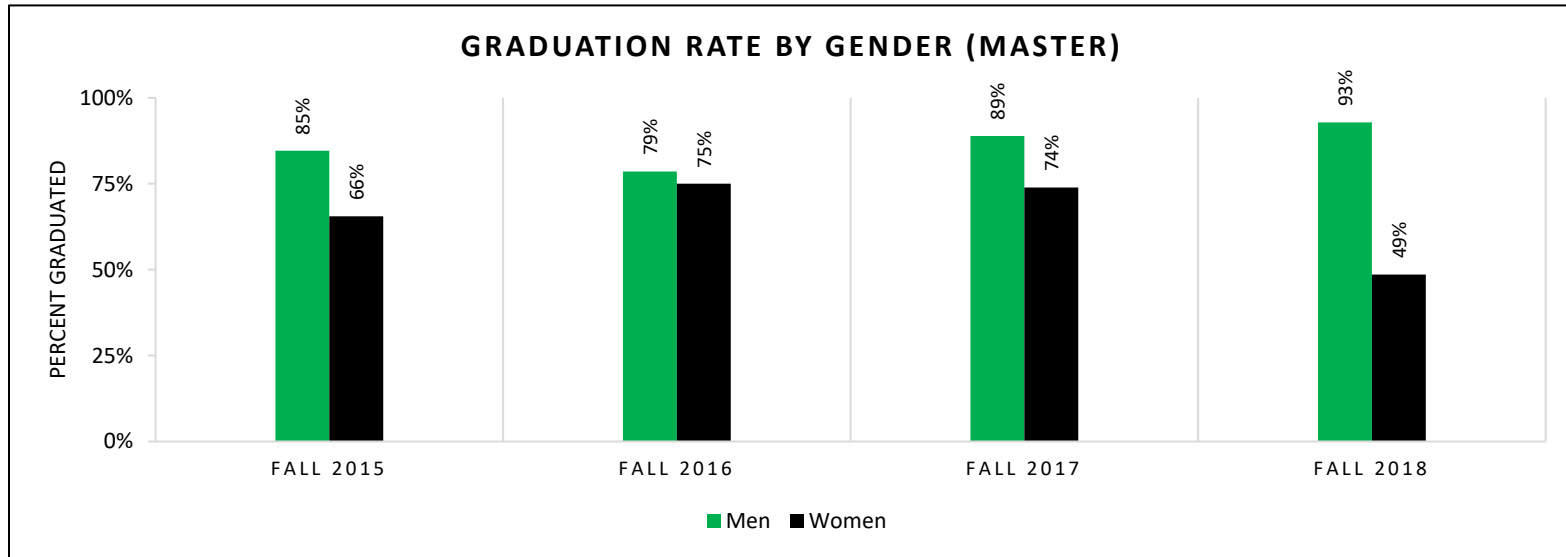

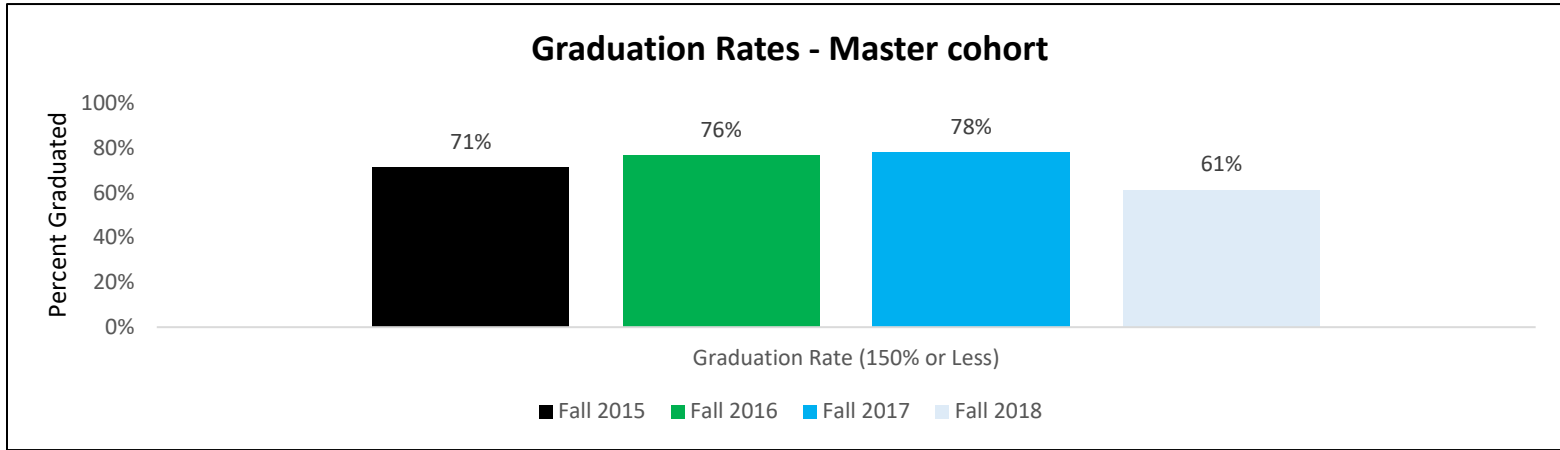

#### PERSISTENCE, RETENTION, AND GRADUATION BY PELL

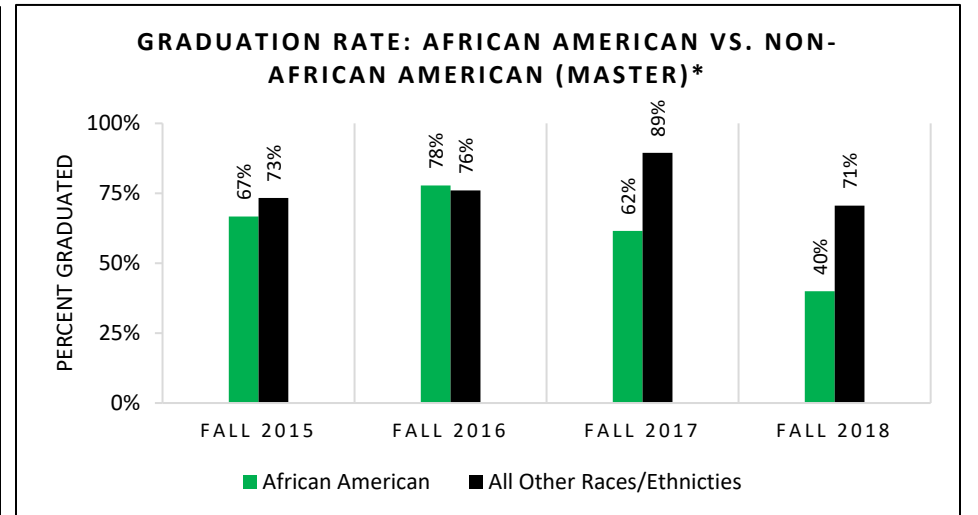

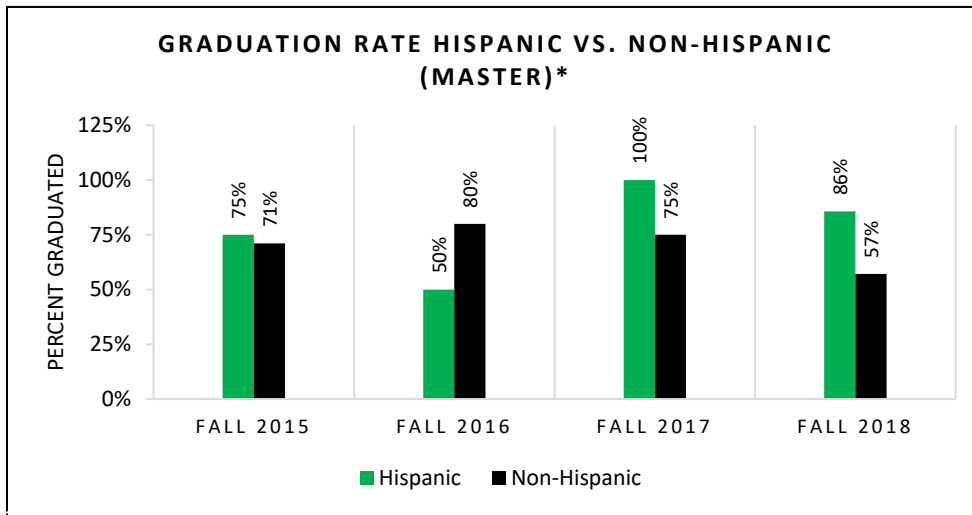

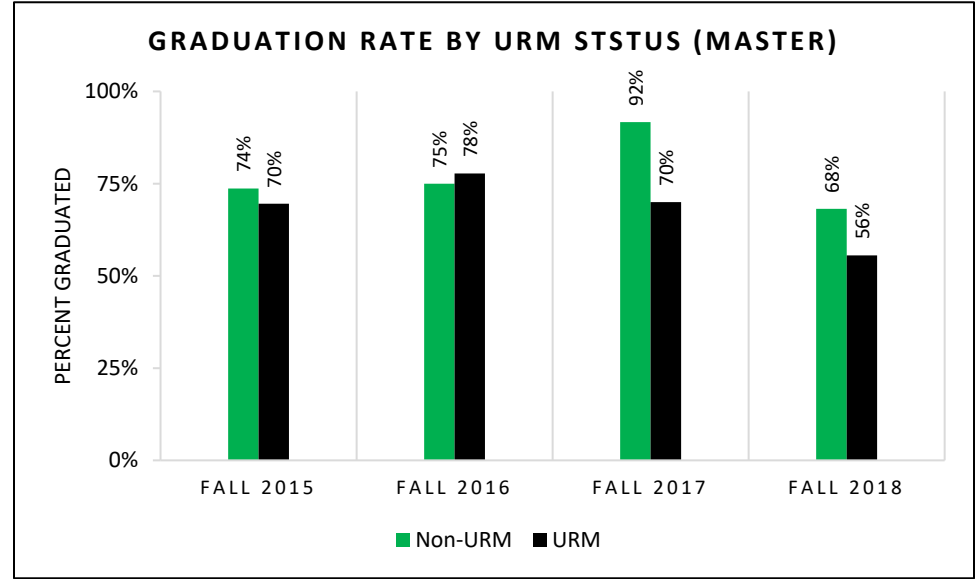

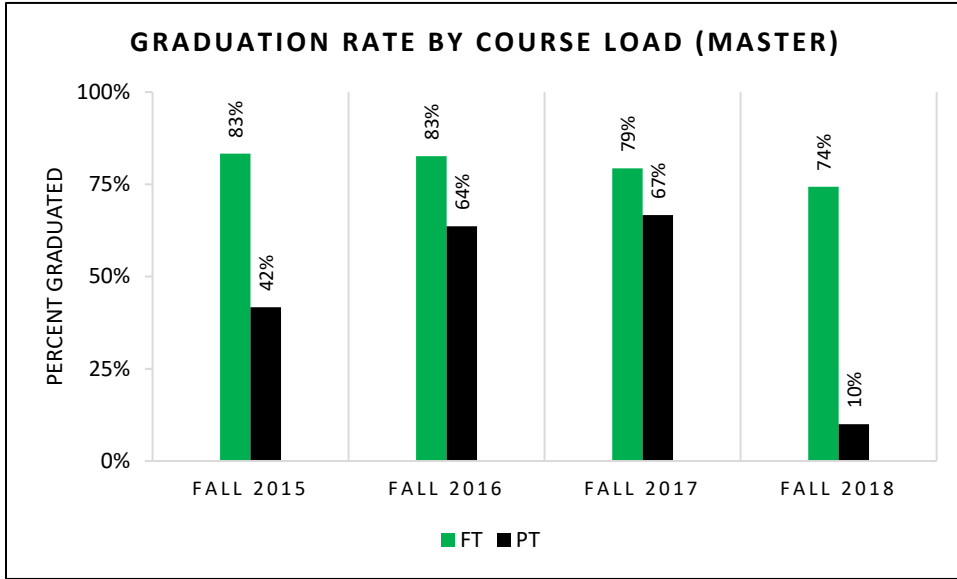

## Student Achievement Measures

Graduate Cohorts (Graduation Rates 150% or less)

**Student Achievement Measures**

\*Some proportions are based on small numbers

**Student Achievement Measures**

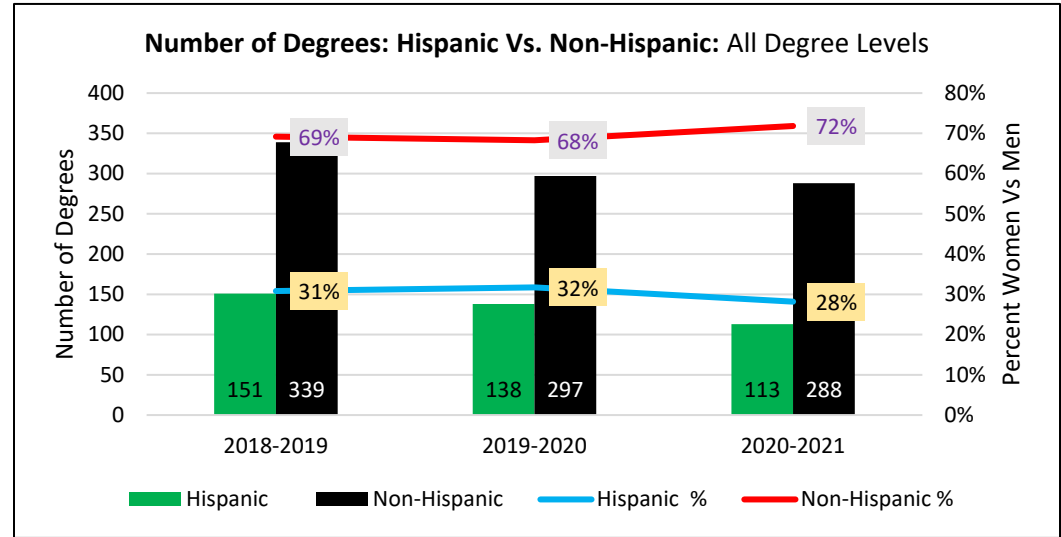

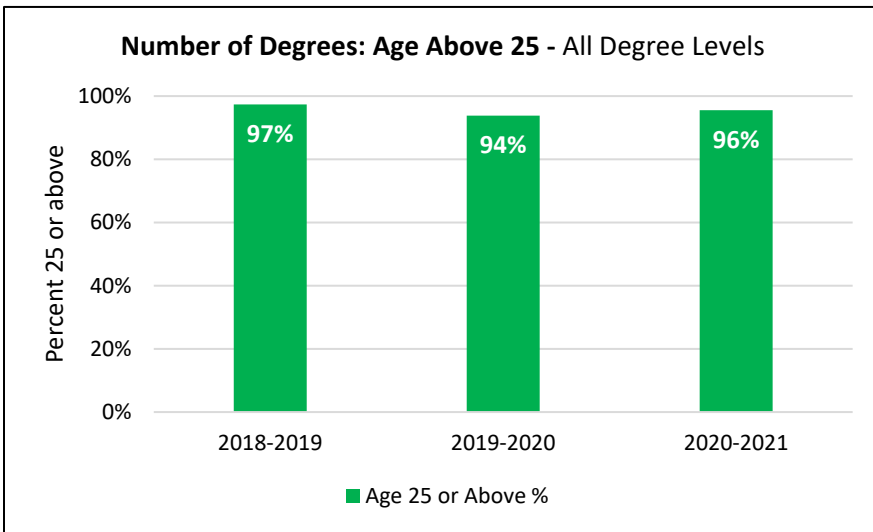

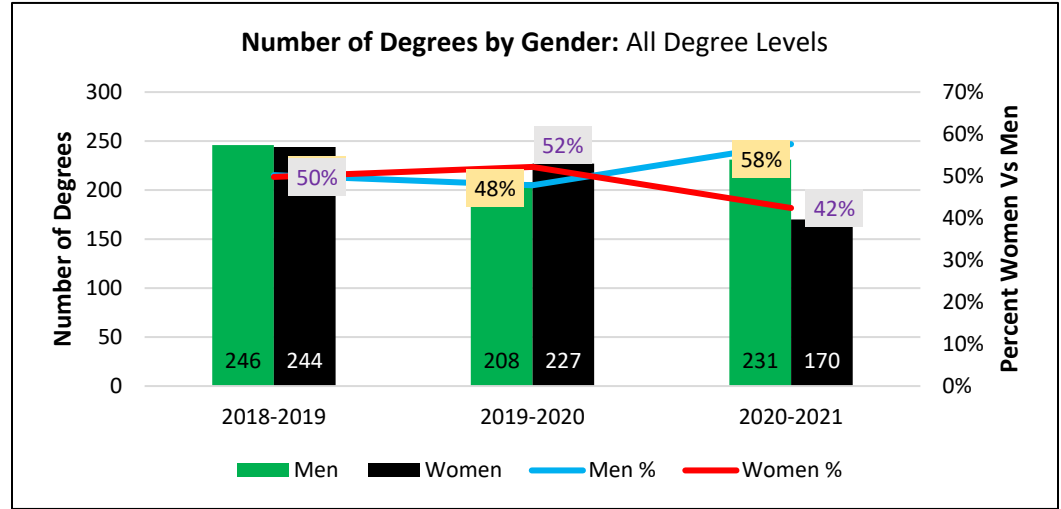

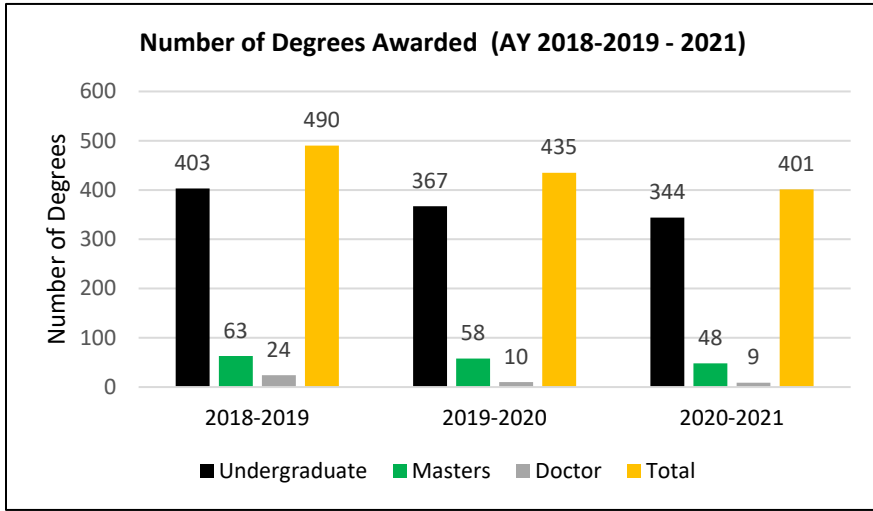

Graduate Cohort (Doctoral – PHD)

**Graduation rates within 150% for 2015 Cohort will be available in 2023.**

**Student Achievement Measures**

## Student Achievement Measures

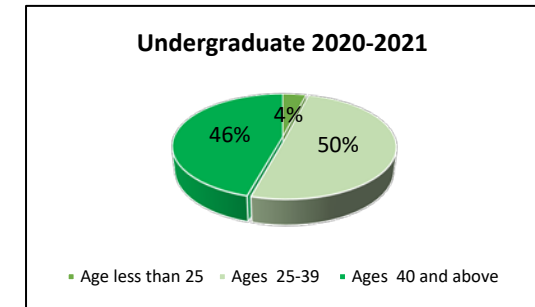

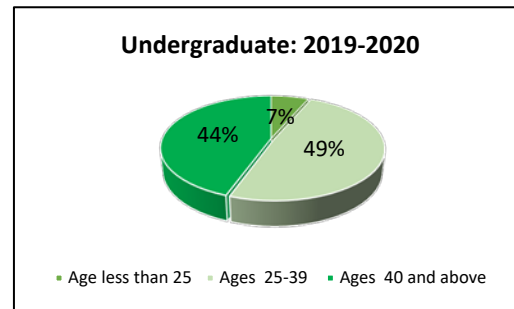

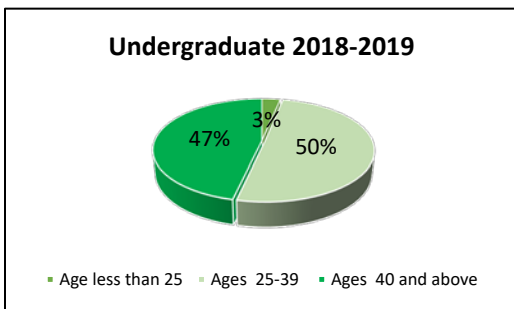

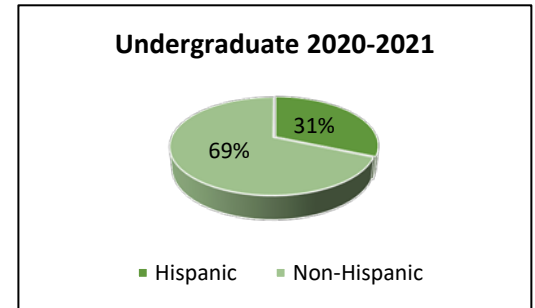

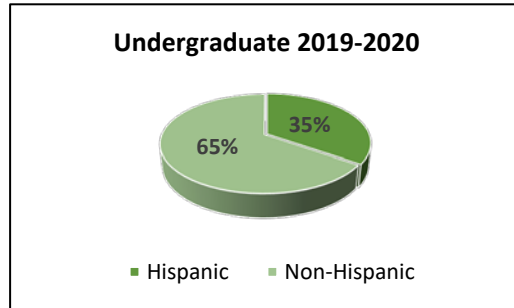

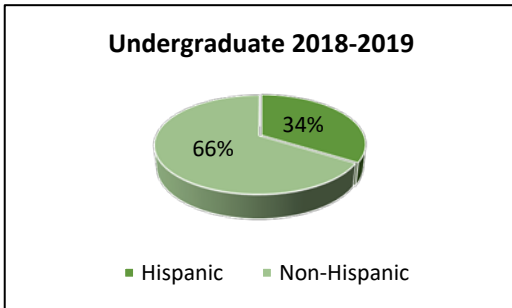

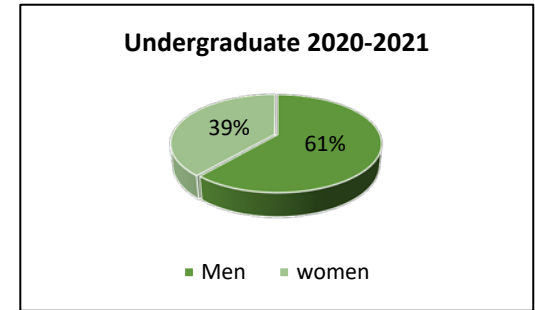

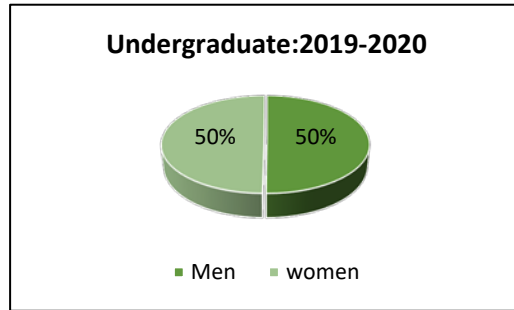

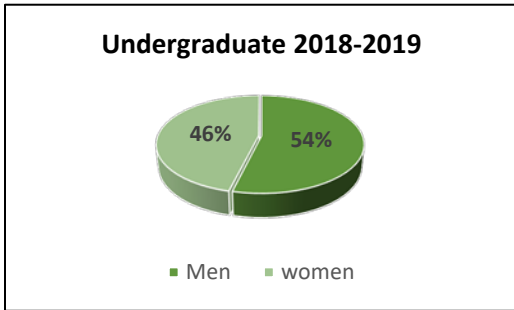

### Degrees and Completion Data

Data Source: IPEDS 2018-2019 – 2020-2021 Data Collections

**Student Achievement Measures**

Degrees Awarded by Level: Undergraduate

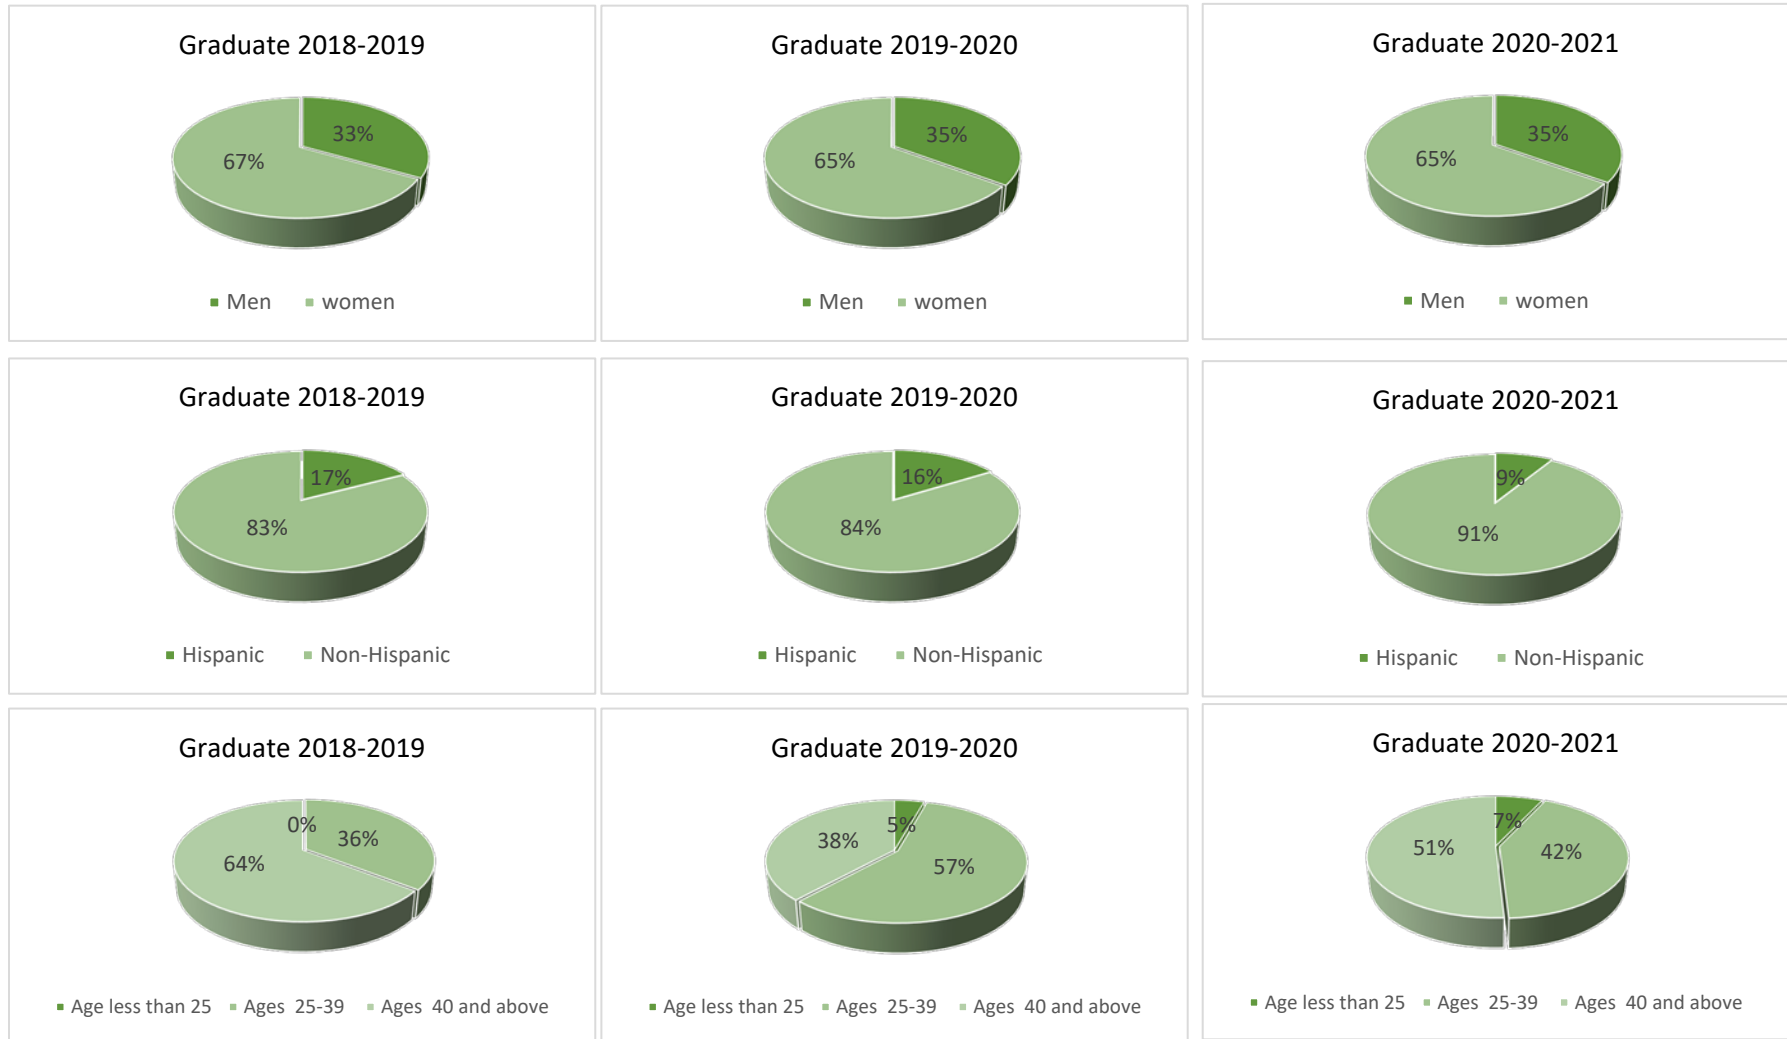

Data Source: IPEDS 2018-2019 – 2020-2021 Data Collections

Student Achievement Measures

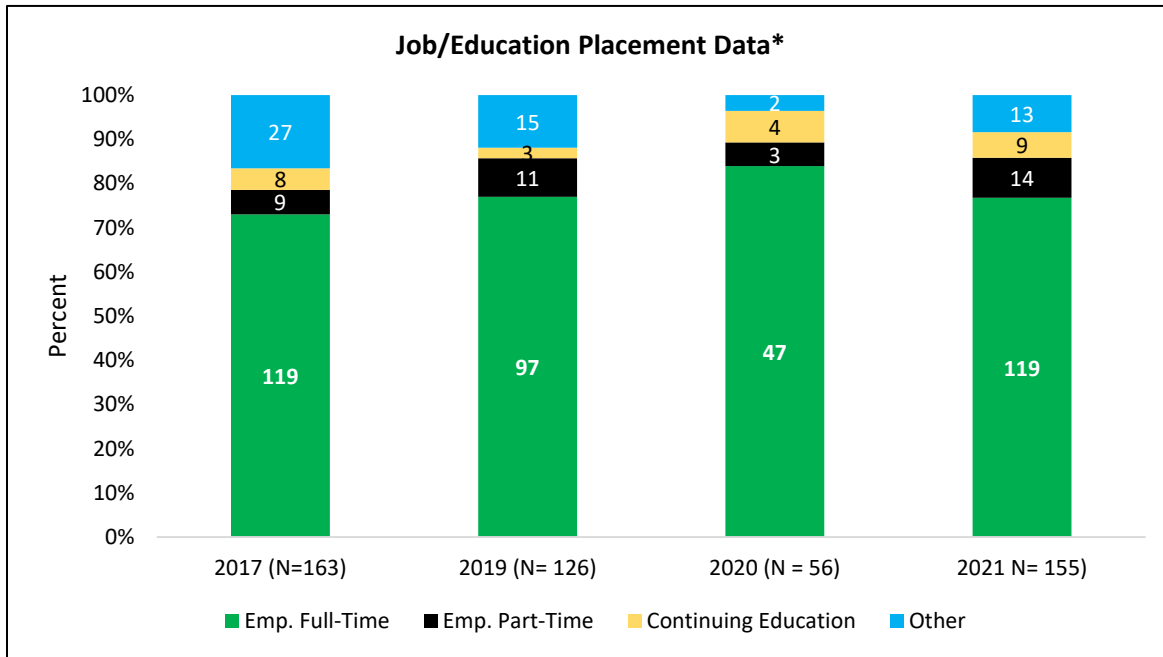

Degrees Awarded by Level: Graduate

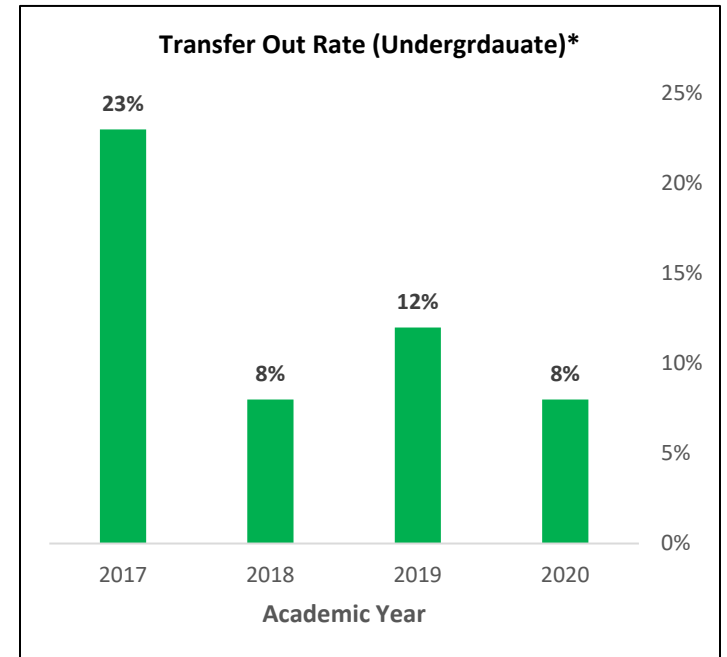

Data Source: IPEDS 2018-2019 – 2020-2021 Completion Data Collections

## Student Achievement Measures

### Placement, Transfer out, and Exam Pass Rates

\*Based on Alumni Survey data – include all graduate and undergraduate students.

\* Based on IPEDS Outcome Measures Survey data.

### Exam Pass Rates

Year	2018	2019	2020	2021
MA - Clinical Mental Health Counseling	100%	100%	100%	100%
M.A. in Applied Nutrition and Dietetics	No Graduates			
M.A. in Human Lactation Studies*	NA	NA	83%	Will be reported in late 2022.
B.S. in Maternal Child Health: Human Lactation*	NA	NA	83%	Will be reported in late 2022.

\*Data available only for 2020 IBCLC exam because exam pass rate is not reported back to UI&U if less than 5 people took the exam. The rates are not broken out by program.

## Student Achievement Measures

### Enrollment and Demographic Profile: Undergraduate Students

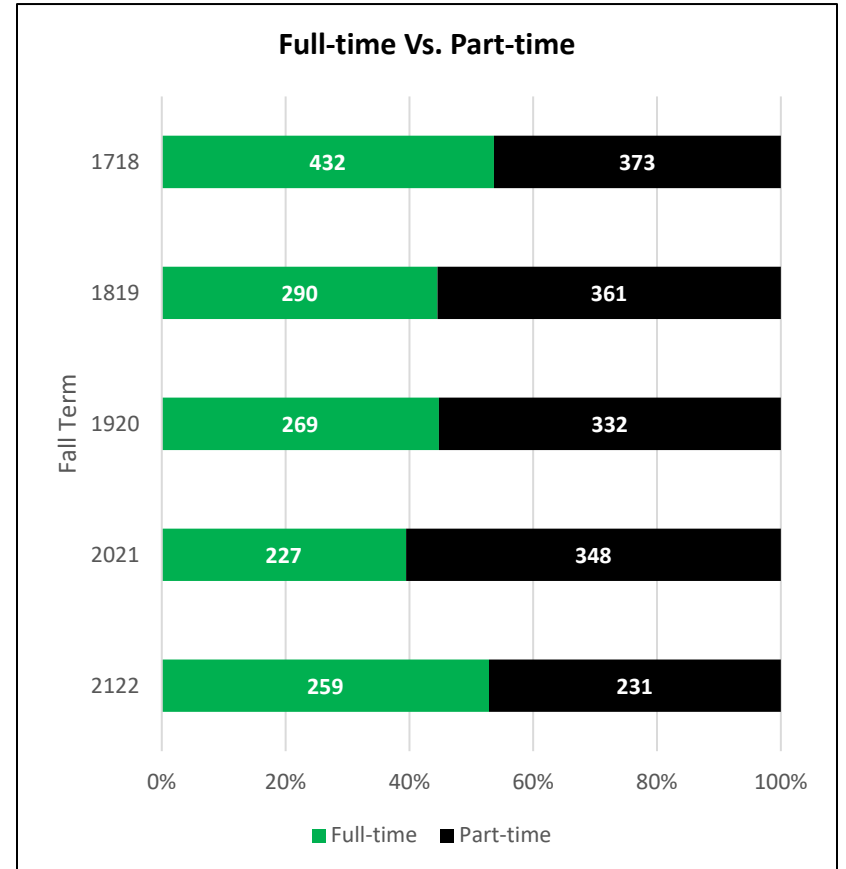

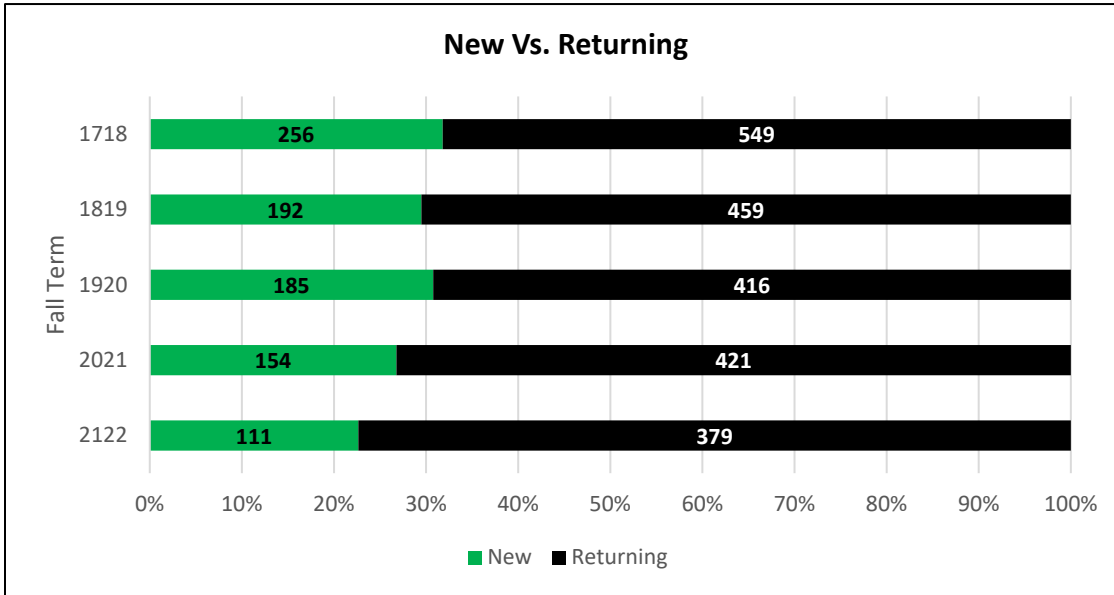

**Definition:**

**Full-time student :** A student who was enrolled for 12 or more credit hours during the term.

**Part-time student:** A student who was enrolled for less than 12 credit hours during the term.

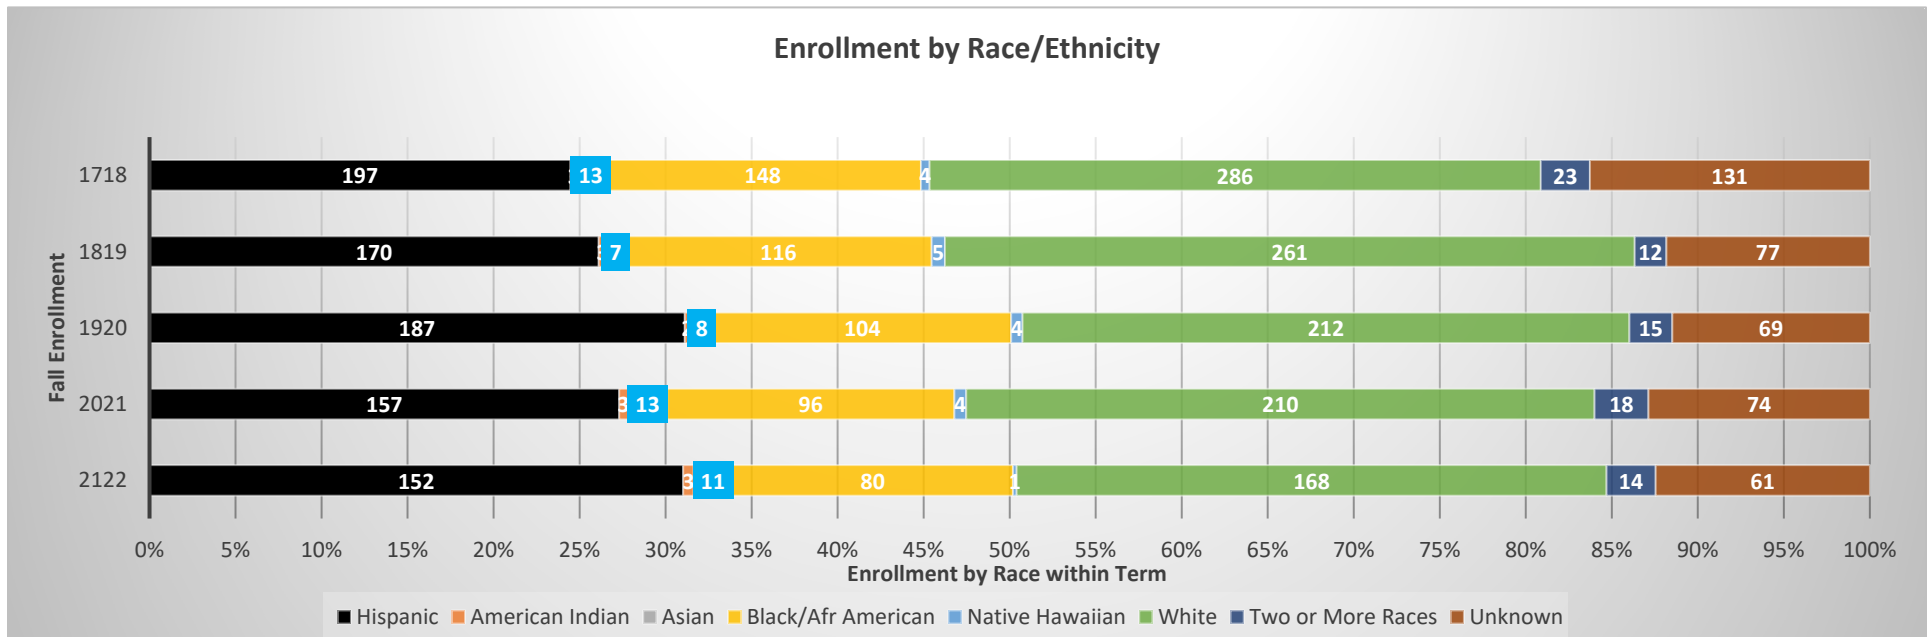

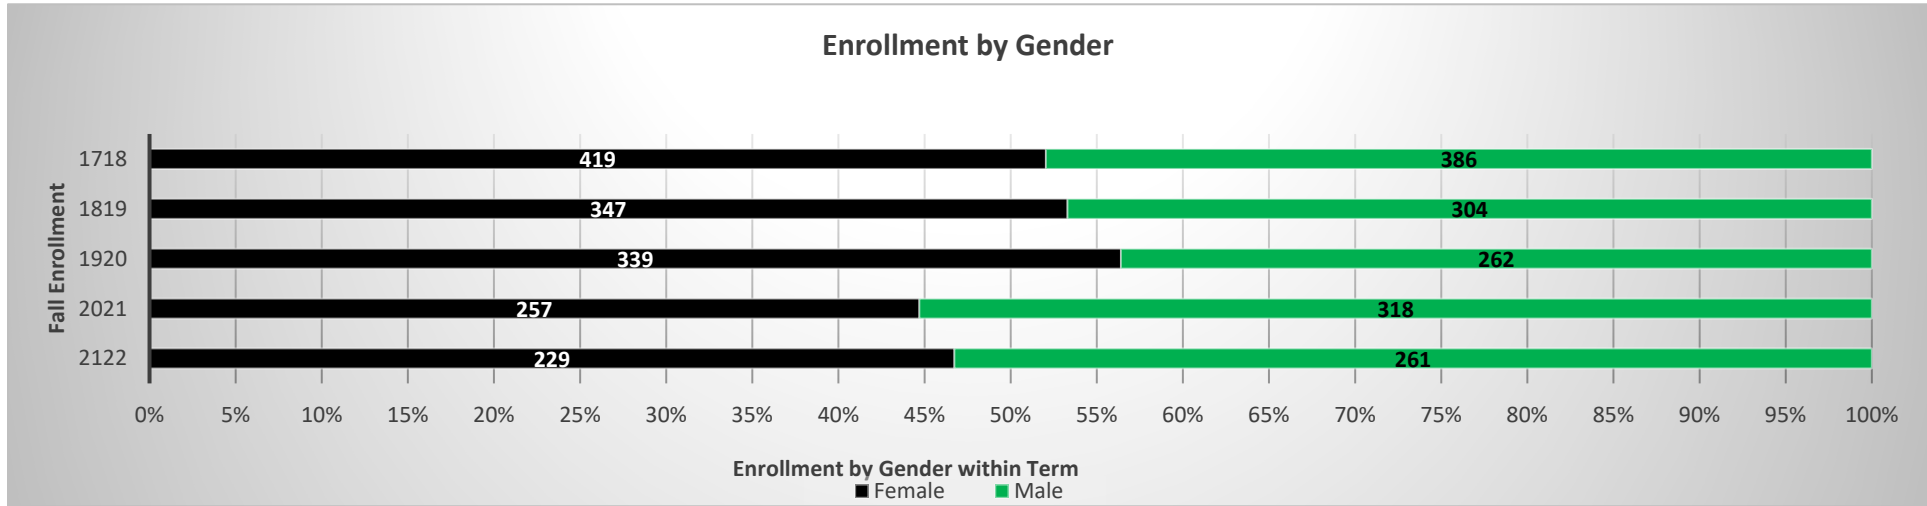

**New Student:** A student entering a degree program for the first time

**Continuing Student:** A student continuing in a degree program from a previous term

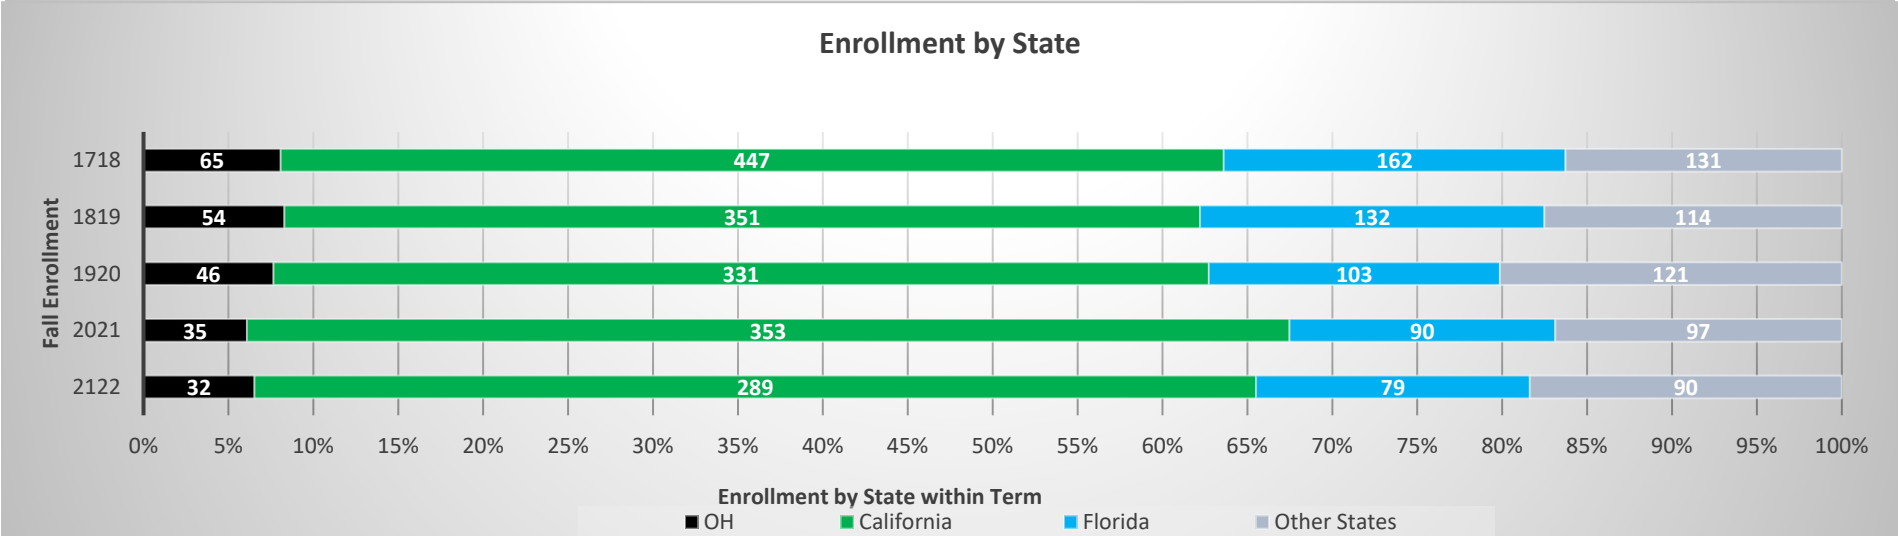

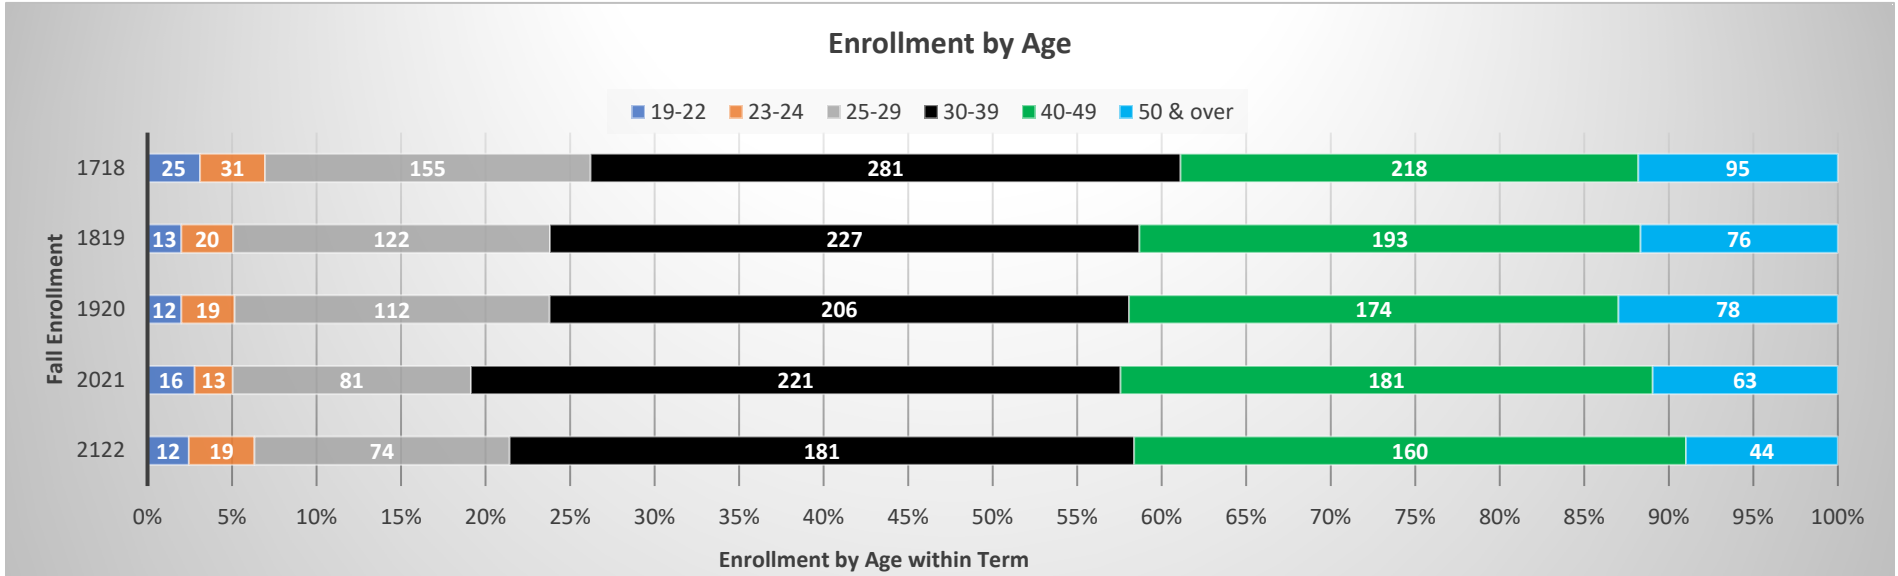

Data Source for all enrollment data: Jenzabar Student Information System
