Determine your dependency status. Use the “Dependency Status” questions below of this checklist to see whether you are an independent or dependent student.

2 APPLY FOR FINANCIAL AID

Apply for your Federal Student Aid (FSA) ID.

Visit <https://studentaid.gov/fsa-id/create-account/launch> and follow the on-screen instructions to apply or request a FSA ID.

If you are a dependent student, both you and a parent will need a FSA ID to electronically sign your FAFSA.

Undergraduate and graduate students should include Union Institute & University school code: 010923.

COMPLETING YOUR APPLICATION

WHAT DOCUMENTATION IS NEEDED TO COMPLETE THE FAFSA?

IDENTIFICATION

- Social Security Card and Driver's License (or State ID) for you and your parent(s).
- If you are not a U.S. citizen, documentation of your eligible non-citizen status.

2020 INCOME AND TAX INFORMATION

You and your parent(s) (or spouse) may be able to access 2020 IRS tax return information to complete your 2022-2023 FAFSA using the IRS Data Retrieval Tool. If you are eligible, we highly recommend using the tool for several reasons:

1. It is the easiest way to provide your tax data.
2. It is the best way of ensuring that your FAFSA has accurate tax information.
3. You should not need to provide a copy of your or your parents' or spouse's tax returns.

If you are unable to use the IRS Data Retrieval Tool, you will need 2019 tax information to complete your 2022-2023 FAFSA. You may also need records of your parents'/parent's income (if you are a dependent student). Please use the following guide to gather your documents:

- Your (and your spouse's, if married) 2020 federal income tax return.
- Parents'/parent's 2020 federal income tax return (if you are a dependent student).
- W-2 forms or other records of income earned.
- Current bank statements and records of stocks, bonds, and other investments.
- Business or farm records, if applicable.
- Records of other untaxed income received, such as federal means benefits, Social Security, or military or clergy allowances.

HOW DO I DETERMINE MY DEPENDENCY STATUS?

The federal government has established how dependency status is determined for federal financial aid purposes. If a student is considered a dependent, his or her parents'/parent's income and asset information must be included on the FAFSA. This information will be used in addition to the student's income and asset information to determine the Expected Family Contribution (EFC). If you answer "No" to ALL the questions, you are a dependent student. If you answer "yes" to any of the following questions, it means you are an independent student for 2022-2023:
